Legless Driver With Only One Arm Has Entered In Carrolltown Race Friday

Driving with his only good arm operating his throttle and brake with the stump of a left arm, and handling the gears with stumps of legs, Andy Crumshaw, Cleveland and coast to coast race driver has entered the Memorial day race at Carrolltown. He has been a cripple since birth and although handicapped, is capable of handling his car, a special built Frontenac, with the best of drivers.

A number of speed trials were held on the Carrolltown track which has been put in excellent condition for the race, Friday Saylor, one of the Altoona entries in the race was the first to visit the track and give his Laurel Special a trial spin.

Dare Devil Yon of Altoona gave the crowd a thrill when he crashed through the fence on one of the curves, but he was not injured and backed out on the track and continued his tryout.

This will be the first of a series of races to be held this summer, and some of the best drivers in the state have planned on entering their mounts.

Outdoor Comedy Drama At Grand

"Under a Texas Moon" Warner Bros. first 100% talking, singing, outdoor picture in technicolor, which comes to the Grand Theatre on Monday and Tuesday is an adaptation of Stewart Edward White's "The Two Gun Man."

It recounts the gay adventures of another Don Juan, an ingratiating liar, who, with two guitar-strumming companions, makes amorous pilgrimages through the cattle country, capturing thieves and barely escaping capture—only to ride jauntily on, hunting new adventure.

Thescenes of "Under a Texas Moon" are exquisite, all being taken in the colors of nature. The capable cast is headed by the imitable Frank Fay as Don Carlos.
