All In Readiness for Great Altoona Speedway Classic

Nineteen race jockeys, comprising the pick of the Indianapolis field, will battle for positions in Saturday's 200-mile national championship auto classic starting Wednesday. The entry list closed at midnight Saturday.

With 19 drivers seeking to start in a field of 14, five cars will be eliminated during the qualification trials, it was announced at the speedway office last night.

The trials, originally scheduled to begin Tuesday will not get under way until Wednesday morning because of postponement of the Detroit 100-mile championship event scheduled.

It was expected that the drivers would all be in the city today, but it was announced last night that the majority of speed aces would not arrive until tomorrow. The drivers will immediately place their two-man cars on the Tipton oval for a trial spin before competing for a starting post.

The coveted pole position was held last June by Cliff Woodbury, since retired.

Improvements on the mile and a quarter oval were rushed yesterday and last night it was said that the majority of work had been completed. The finishing touches will be applied today and the gates will be barred tonight to await the first two-man car ever to ride the local boards either Tuesday or Wednesday.

The track will be open free to spectators during the time trials.

Following is the official entry list, with names of the drivers.

Billy Arnold, "Spider" Matlock, Miller-Hartz Special.
"Shorty" Canton, Ernie Olson, Miller Schofield Special.

DRIVE TO REMOVE DEBT ON HOSPITAL

Plans for Campaign to Liquidate \$20,495 Discussed at Special Dinner

A luncheon and business meeting of members of the Spangler Hospital Board and Board of Trustees of the Northern Cambria Kiwanis Club was held recently at the Brandon Hotel, for the purpose of formulating ways and means to liquidate the \$20,495 deficit of the Spangler Hospital's financial account. The men of the organizations are planning for a near-future drive to wipe off the hospital's debt. The indebtedness stated, and an appeal is made to the public to assist in the laudable negotiation, which if successful, will enable the Board of Trustees to build a unit to the hospital to be used for a maternity ward, a much needed want of the institution. Funds are likewise lacking for the purchase of a number of necessary things for the operating room and other departments of the hospital, which is located in a community of 30,000 to 35,000 people, with no other institution of its kind in the area from which the patients are admitted for surgical and medical treatment.

J. B. Holopple, of Spangler, President of the Northern Cambria Kiwanis Club, was Chairman at the meeting and talks were given by Dr. E. F. Arble, of Carrolltown; Louis Luxenberg, of Barnesboro; the latter the Treasurer of the Spangler Hospital; Dr. G. R. Anderson, of Barnesboro; John Maholtz, of Spangler; Patrick McDermott, of St. Boniface; J. Edward Stevens, of Carrolltown, and Jonathan Nicholson, of Spangler.

A move was made and carried that a representative Kiwanian or member of the Board of Trustees from the towns in which they reside, should appoint a committee in those centers also in the places where there are no members of the bodies mentioned, to assist in the campaign work to be done, once the drive is on. It was decided to hold another meeting in September the evening of Friday, June 13, at the High School Auditorium, when a general committee will be formed to arrange the campaign. With this strengthened co-operation among the influential men of Northern Cambria, a successful undertaking is anticipated to have subscribed the amount of money needed to liquidate the debt.

A quota list was previously worked out before the meeting and was read to the luncheon group, these being the figures given to be subscribed in the following towns during the drive: Patton, \$2,500; Hastings, \$2,000; Barnesboro, \$3,000; Spangler, \$2,500; Carrolltown, \$1,000; Ebensburg, \$500; Cherrytree, \$500; Bakerton, \$500; St. Benedict, \$500; Nicktown, \$250; Hellwood and Tipperary, \$500; Arcadia, \$500; Cresco, \$500; Starford, \$500; P. R. R. and New York Central Lines \$3,250; Ladies Auxiliary to Hospital Staff, \$500. Citizens, lodges, fraternal orders, churches auxiliaries, guilds, etc., will be asked to work with the various committees for the hospital. Miners will not be appealed to give material assistance to the fund on account of the coal depression and the shortage of mine work, unless they desire to do so. Since the existence of the hospital, it has contributed to the support of the institution and without their aid there could never have been such an institution in the north of the county.

It was mentioned at the meeting that next to the churches, the hospital was the most necessary institution for the people of Northern Cambria. Many lives would be lost it was said where patients would be rushed to hospitals remote from their homes particularly in cases of accidents or sudden attacks of illness. The fact that charity patients, too, are given care and medical or surgical treatment, is consideration to be reckoned in the expenses of running the hospital. The sources of income from private patients, miners and State are not sufficient to carry on the work and keep clear of debt unless the public comes to the rescue. The medical profession gives much service and time free of charge, which if it had to be paid for by the patients treated, would be an impossibility in many instances. Besides being a necessity to the community, the hospital, the Nurses' Home and the grounds about the building are attractions in the town of Spangler and show energy used to promote such a venture. Additional housing for a greater enrollment of patients would augment the importance of the hospital in this section of the county.

57 FOOD DEALERS
FINED IN MONTH

Fifty-seven food dealers in 16 counties were prosecuted during May for the violation of pure food laws, according to a report compiled yesterday by the bureau of foods and chemistry, Pennsylvania Department of Agriculture. This number is the same as for the previous month and one less than for May a year ago.

The artificial coloring of foods, especially bakery products, remains as the most common violation, causing almost half of the prosecutions during the month.

The counties in which prosecutions were ordered are: Allegheny, Bradford, Butler, Cambria, Cumberland, Dauphin, Erie, Franklin, Lackawanna, Lawrence, Luzerne, McKean, Montgomery, Philadelphia, Washington and Westmoreland.

REPORT OF VIEWERS FILED

SECT. DAVIS IS HEARD AT MOOSE INITIATION

Johnstown Team Inducts A Class of Ninety-five Candidates at Ebensburg

The initiation of 95 candidates for the new Ebensburg lodge No. 1571, Loyal Order of Moose, was conducted there Monday night by the Johnstown degree team in the presence of Secretary of Labor James J. Davis and Albert H. Ladner, a Philadelphia attorney supreme dictator of Mooseedom. Secretary Davis delivered an intellectual and inspirational talk on the Moose and its contribution to civilization, devoting much of his speaking time to a description of Mooseheart and Moose Haven, the two homes of the order. At the former place, he said, are 17,000 children who are being taught a vocation and are being trained along lines of individual expression. Not one of the Mooseheart graduates ever has been known to be arraigned before the federal court. In speaking of Moose Haven, the cabinet official said that the whole story in the Moose order has been woven about the mother and her child. No better service could be afforded mankind, he said.

The musical feature was provided by Harve Tibbott, baritone soloist. Officers of the lodge who were in charge of the ceremonies are Harve Tibbott, past dictator; Atty. Harry A. Englehart, dictator; William J. Moore, vice dictator; Dr. R. H. Raiston, prelate; F. J. Myers, secretary; I. E. Lewis, treasurer; Stanley Reese, J. Lawrence Luther and Taty, George W. Griffith, trustees.

INCREASE IN PENSION FOR SPANISH WAR VETS

DARK CLOUDS IN EUROPE

According to newspaper reports Horace Liveright, well known New York publisher who went to Europe some months ago as a "good will diplomat," observed a great many things of which the American people might learn with interest.

On his return to New York, Mr. Liveright is quoted as saying: "France isn't fighting the last war, she is preparing for the next. Germany isn't supposed to have a standing army, yet every youth has full military equipment. In England they are freely predicting an American panic and seemingly rejoicing that its reaction will benefit them."

"The Danes hate the Norwegians and the Swedes; the Norwegians hate the Swedes and the Danes and the Swedes hate the Danes and Norwegians."

"I was never so appalled in my life." Mr. Liveright is evidently a good observer. At least he is not alone in reporting conditions in Europe in a pessimistic way. For example: all of the recent dispatches from Europe, touching on Franco-Italian relations have declared there is danger of real conflict between these two countries unless there is a quick "about face."

Many European observers declare that France is now feverishly preparing for war and that in case of trouble she will depend on her allies the Jugoslavs and if necessary, the Poles. And on the eastern horizon is the forbidding countenance of Soviet Russia armed to the teeth and waiting for a favorable opportunity to hurl its well trained legions against the armies of the capitalist world.

These are conditions which the theoretical pacifists are apt to ignore in their calculations. Many of them seemed to be fondly deluded into the belief that if Uncle Sam will only scuttle his navy and disband his army there

SCOUTING NEWS

What Has Happened During Week In Boy and Girl Scout Circles

The results of the rally held at the Patton athletic field are: Patton, 821; Colver, 697; Ebensburg, 682; Nanty-Glo, 434. Patton being the only troop standard.

Patton has the highest score yet made in the Johnstown council and is recognized as one of the crack troops of the county. The boys predict a higher score at the next rally.

We have been carrying a membership of 41 scouts. Many of the boys have quit so they have been taken off the list leaving us about 20 scouts. There is room for 12 scouts and any boy interested is urged to join.

Two lending libraries have been started by the troop. They are in the possession of the Flying Eagle and S.S. Patrols.

On Tuesday of last week fourteen scouts left for the trout dam at Killbuck. They camped out all night and returned the next morning. "Little sleep was enjoyed by all."
