VICE PRESIDENT OPENS EXPOSITION

Everything for Entertainment and Education At Ebensburg This Week.

affairs—one as vice president of the United States, the other as head of Bethlehem SteelCorp.—Monday mildly school in for a first-day throng of the steel of the first ball room in Pennsylvania. Hollander and his dance band are 12,000 Cambria countians and their guests this week's county industrial exposition.

went and tavolady about a well and tavolady about and eastern United States, and they are among the leading orgonical country.

vice club representatives at a Chamber booked. Plan to attend Sur of Commerce testimonial luncheon in evening of the Fourth. the vast reception hall there. Agricultural interests were his particular concern, and he foresaw America's early return to its one-time point of agricultural supremacy.

Charles M. Schwab, sponsor of the Cambria county fair-grounds and its ever-generous benefactor, was the other one outstanding visitor at the formal opening, and he loomed unsurpassed in vigor and warm enthusiasm over the prospect of a most successful industrial exposition. His greetings to the people of the county were short, but complimentary and genuine in nature. He expressed his pride and affection for the people of his country in a public adress from the flower-edged platform across the wellgroomed race track from the grandstand.

Glamor and spectacular display in some quarters marked the opening of the week's program. The fairway was lined with concession and refreshment stands, carnival wheels; fruit juice extractors and side-show features, even to the palm-reading expert. Several of the exhibition buildings were in use and drew a continous line of curious spectators during the afternoon, principal of these being the machine and mining display in the automobile building.

The United States Marine band of 65 pieces, under the direction of Capt.

Taylor G. Branson, having accompanied Vice President Curtis and his equally delightful brother-in-law and sister, Mr. and Mrs. Edward E. Gann, to Ebensburg, was given a flattering ovation by hundreds as it played in the huge dining hall and later along the race track. The noon reception Monday was in a splendid setting, with fully 1,000 persons seated at tables which extended the entire length of the hall. Overhead were light reflectors from which dangled long, colored streamers. The U. S. Marine band, "the president's own," was on a platform president's own," was on a platform president's own," was on a platform of the huge dining and sportsmen of northern Cambria county to be being required. Dennis Bender was the driver. Considerable labor and expense was required, the two trips running up a mileage in excess of 230 miles.

Co-operation of all nimrods and sportsmen of northern Cambria county to be being sought in an effort to develop newer fishing possibilities and well-stocked streams in this section. Patton.
