## FIRE PREVENTION WEEK TO BE OBSERVED IN PATTON

Local Firemen Will Inspect Your Premises Next Week for Hazards.

### INTEREST BY STUDENTS

Next week being Fire Prevention week, the same will be observed with fidelity by the Patton Fire Company, and committees will be appointed to canvass the borough, and inspect the properties and premises for fire hazards. The spirit of the Prevention Week is to reduce fire losses and the unstinted co-operation of the general public is urgently requested.

The first line of defense against fire in any community is the fire department. Its efficiency, and whether a blaze shall be quickly subdued, with a minimum loss, or whether it shall become a roaring, destructive conflagration.

Our modern fire departments present an interesting contrast to those of ancient times. It was not until after the great London fire of 1666 that fire fighting was given serious study and organized fire departments created.

In this country the first public fire fighting organizations of importance were the volunteer "fire societies" which combined preparedness for fire with social diversions. The first successful steam pumping engine was adopted and used by Cincinnati, Ohio, in 1833.

Vast progress has been made in the perfection of our fire fighting facilities and they are still in a process of evolution. Every American community, large or small, has today a high-class fire fighting organization, well equipped, is one of the best possible investments.

We will always have destructive fires, but we will not have so many of them if everybody helps eliminate the hazards. Remember that next week a high-class fire fighting organization, well equipped, is one of the best possible investments.

The officials of the Fire Company desire to have us announce that folks having fire extinguishers can have the same tested free of charge by taking them to the fire company, on Monday of next week, and extinguishers found deficient will be refilled by the firemen.

### SLOW DRIVERS GREATEST MENACE, CURRAN ASSERTS

Auto Club Officials See Them as Comparable to Speedsters.

"The slow driver is a greater menace on the open highway than the motorist who drives along at a speed warranted by the condition of the road and the volume of traffic," Edward P. Curran, safety director of the Keystone Automobile Club, said Saturday.

"Many drivers seem to think they are playing it safe by creeping along the highways at a fifteen-to-twenty-mile rate," Mr. Curran said. "As a matter of fact, they are making a contribution to accidents comparable to that of the reckless speedster."

"When fifteen or twenty cars are held in line by a slow-moving vehicle, the chances of accident through collision with approaching cars are multiplied by the number of cars literally forced to pass the automobile."

The Pennsylvania railroad has applied to the public service commission for abandonment of passenger service on its South Fork branch between South Fork and Winters. Operation of the line, the company's petition stated, has been "very unprofitable and burdensome" recently because of bus competition and increased use of private automobiles. One passenger train a day in each direction except Sunday is now operated over the line.

### NUN RECEIVED BY LORETTO CARMEL

Impressive Ceremony Held on Saturday; Bishop in Charge; Dr. Doyle Speaks

The public chapel of the Carmelite Monastery of St. Therese of Lisieux was crowded to capacity on Saturday afternoon as a very impressive service marked the coming of her new religious habit of Sister M. Albert of the Mother of God, the first postulante to be received into the Carmel. Many relatives and friends of the nun, known in private life as Miss Gertrude Haver, of Philadelphia, were present, a number of them coming from distant points.

The conferring of the habit and the "wedding" of the postulante to the new religious life were in charge of the Rev. John Joseph McCort, Bishop of the Diocese of Altoona, assisted by the Rev. Dr. John P. M. Doyle and other Franciscans from St. Francis College.

Dr. Doyle delivered the sermon and a few supplementary remarks were made by the Bishop. A splendid music program was provided by a group of Johnstown vocalists under the direction of Miss Mary H. Weaver, organist.

Another capacity throng attended Sunday afternoon's service at the Carmelite Chapel. The benediction of the Blessed Sacrament being followed by novena prayers in honor of St. Therese, "the Little Flower of Jesus," in whose memory a novena is being conducted. The novena will close tomorrow afternoon, St. Therese's feast day, at which time there will be benediction at 4 p. m. with the Papal blessing and the blessing of the roses to follow. The sacrament will be exposed all day Friday.

### FORMER PATTON LADY EXPIRES AT DETROIT

Body of Mrs. Mary Mangan Brought Here and Buried

Mrs. Mary Mangan, aged 78 years, widow of Patrick Mangan, for many years a resident of Patton, expired at the home of her daughter, Miss Mary Mangan, at Detroit, Mich., on Monday evening at five o'clock, of diseases incident to old age superinduced by pneumonia. Mrs. Mangan had lived in Patton up until 1919, when she went to Detroit with her daughter, who is a trained nurse in the Michigan city. Besides the daughter, one son, John Mangan, of Detroit, also survives.

The body was brought to Patton, arriving Wednesday at noon, and taken to the home of her sister-in-law, Mrs. Farrell Hopkins, of Beech avenue. The funeral services were held at nine o'clock this Thursday morning with a high mass of requiem in St. Mary's Catholic church, interment being in the church cemetery.

### RURAL CARRIERS HOLD AN OUTING

The outing of the Cambria County Rural Mail Carriers' Association, held in the assembly hall at Mt. Aloysius Catholic Church, Summit on Saturday evening, was a complete success. After the luncheon, which was prepared by the ladies, W. J. Stoner, of Harrisburg, formerly President of the State Association of Rural Carriers, gave a fine address on conditions affecting the postal service. He was followed by Ralph Rose, of Somerset, who brought friendly greetings from his county association, and A. G. Stains, of the Johnstown delivery service. J. A. Sherbine, of Wilmore, acted as toastmaster and delivered the address of welcome. Addresses were also made by the Rev. Father F. A. Magee and Howard Glas, the latter of Fallen Timber, and J. E. Allison, of Johnstown.

Other parts of the church repaired. A new heating plant has been installed. We surely have been very busy. Out present debt, after paying for the heating plant etc., is approximately \$200. Our Ladies Aid Society are wonderful workers. The W. W. G. and Young People's Society are also doing great work. We have recently organized a promising Crusade Society. The Bible School is well attended. Our pastor has baptized seventeen (17) candidates and three have been received by letter. Total 20 new members. Our services are well attended.

During the last few years owing to industrial depressions many of our members have moved away and a revision of our church roll was necessary. This is true of the Patton Church as well as the Reilly Calvary Mission. After all is said, the Lord has blessed us wonderfully. "The Lord has done great things for us, of which we are glad." Psalm.

### SALE OF SEATED LANDS TO BE HELD

Treasurer Ordered to Proceed with Disposition of Properties for Back Taxes.

The Treasurer's sale of seated lands for taxes returned for the years 1927, 1928 and 1929, which was scheduled to take place on Monday, August 4, and which was postponed until Monday, October 13, will be held on that date, accompanied by an announcement made Monday morning by County Treasurer George W. Reese.

The sale was postponed in August to give the delinquent taxpayers an opportunity to pay their back taxes and thus avoid having their properties offered for sale. However, since the postponed date, very little effort was made on the part of the delinquents to pay back taxes and the authorities are of the opinion that the sale should be proceeded with according to the schedule for each month the taxes remain unpaid additional penalties are added and the sale itself will entail additional costs, which must be borne by the taxpayers, when the property is redeemed.

In two counties of the State, namely Clearfield and Adams, the courts have declared the Act providing for the sale unconstitutional, but in Cambria County the Court has ordered the Treasurer to proceed with the sale and it is not thought likely that any further postponement will be made.

### PATTON HIGH SCHOOL NOTES OF THE WEEK

As Compiled for the Courier

Readers by Bob Little of the Student Body.

On Monday afternoon two speeches were made in the High School Auditorium, the first by Mr. Bernard who has devised a plan concerning the sale of season foot-ball tickets. The plan is to have a contest to see which class can sell the greatest number of tickets. The second speech by Mr. Boserman stressed the fact that report cards will be due in two weeks.

Many students of the High School attended the dance at Lilly, last Tuesday evening, among them were: Esther Beck, Mildred Smith, Dorothy Cartwright, Carolyn Weakland, Helen Alberts and Coletta Stoltz.

Vernetta Jenkins was a Pittsburgh visitor over the week end. School was dismissed early Friday afternoon. You can rest assured there were no tears shed.

A certain farmer living on the outskirts of Carrolltown complains of being shy one head of cabbage from his field, and if you want to get the whole story—ask Helen Alberts—she'll tell you all about it.

Mildred Smith attended the football game at Lilly, last Saturday. The Junior dance held last Friday was a big success and the members of the class extend their thanks to all those who patronized it. The proceeds of this dance are for the benefit of the Junior-Senior Prom.

Doris Noonan, Anna Blair, Esther Ludington and Sis Wilson made a quick exit from the library the other day. Wonder what all the rush was about?

George Somerville and Albert Crooks were Sunday night visitors in St. Benedict. There will be some attraction over there—that causes George to make so many trips in that direction.

Miss Steele spent the week end in Pittsburgh. Ella Lowes and Mabel Fitzpatrick were Sunday afternoon in Cresson. The football schedule for the season reads as follows:

Oct. 4—Lilly at Home.  
Oct. 11—Spangler at Spangler.  
Oct. 18—Portage Twp. at Home.  
Oct. 25—Ebensburg at Ebensburg.  
Nov. 1—Cresson at Home.  
Nov. 7—Nanty-Glo at Home.  
Nov. 15—Carrolltown at Carrolltown.  
Nov. 22—Westmont at Westmont.

It is hoped that the high school will co-operate with the team in all these games.

The classes of the new building held their election of officers, and class officers' results are as follows: SENIOR CLASS:—President, Bob Little; Vice President, Fred Blankenhorn; Secretary, Mabel Fitzpatrick; Treasurer, George Somerville. Class Mothers:—Mrs. Fitzpatrick, Mrs. Alberts, Mrs. Little.

JUNIOR CLASS:—President, Henry Fregey; Vice President, Gustave Beunier; Secretary, Ida Marie Durbin; Treasurer, Emma Brochi, Class Mothers: Mrs. Smith, Mrs. Reed, Mrs. Wilson.

SOPIHOMORE CLASS:—President, Jim Cornelius; Vice President, Florence Beck; Secretary, Betty Chverchko; Treasurer, Mary Cassidy, Class Mothers: Mrs. Beck, Mrs. Smale and Mrs. Westrick.

### GRAHAM McNAMEE CREATES A NEW KIND OF PHOTOPLAY

As an amazing spectacle and tense human drama, "The White Hell of Pitz Palu" which will be at the Grand Theatre, on Friday and Saturday, is a sensational motion picture fare. More than that, it is an absolutely new kind of picture. For the first time in a dramatic photoplay, the most famous voice in the world—Graham McNamee—is heard in a vocal dramatization of the tense drama and astonishing thrills as they are unfolded on the screen.

McNamee, who is the star announcer of the National Broadcasting Company and already famous on the screen as the Talking Reporter of the Universal Newspaper Newsreel, heightens the breath-taking suspense by his vivid and colorful talk from the screen.

Nothing like this has ever been done in pictures before, and the effect is not only startlingly realistic, but marks a precedent—the most revolutionary—since talking pictures began.

If you miss this picture, you'll miss being in on the creation of a new type of photoplay.

The story of the picture is simple and elemental. A bride and groom spend their honeymoon in a cabin on the icy slopes of Pitz Palu, a peak in the high Alps. They are interrupted by Dr. Krafft, whose own honeymoon three years before ended tragically there when his young wife was lost on the perilous North Wall of the peak. Maria and Hans, touched by the doctor's brooding sorrow, join him in his search for his wife's body. Their hazardous climb—Hans' almost fatal fall—the doctor's broken leg in rescuing him—their flight against starvation and freezing—are told so dramatically by the camera and Graham McNamee's marvellous vocal dramatization that the story holds the audience in breathless suspense.
