DAVIS IS FOR REED PROPOSAL TO BAR ALIENS

Secretary of Labor Give Emphatic Approval to Further Restriction Secretary of Labor Davis Monday emphatically approved the proposal of Senator Reed, Republican, Pennsylvania, for further immigration restriction to relieve unemployment. Reed announced he would introduce in Congress a resolution to suspend all quota immigration except immediate relatives of persons already in the United States. The suspension would be effective for two years beginning July 1, 1931, and would exclude from the country Filipinos, who now enter the United States without restriction. Urged Plan Two Years Ago. Davis said he had suggested such further restriction two years ago and expressed belief it would relieve unemployment. After December 1, when Congress convenes, Davis will be Reed's colleague and will be able to vote in favor of the resolution. Chairman Johnson, of the House Immigration Committee, announced Saturday he would propose permanent legislation to stop further immigration of all except immediate relatives and workmen who could be classed as industrial specialists. "The plan," Johnson said, "would place us immediately on a simon-pure selective immigration basis. We have enough new seed stock in the United States now. We cannot absorb any new immigration of the wholesale type." Reed said his temporary exclusion project would to some extent prevent spread of unemployment, explaining suspension of immigration for two years would not modify "the permanent solution of our immigration policy as embodied in the Immigration Act of 1924, nor weaken the 'National Origins' principal on which it is built." "The resolution," Reed's statement continued, "will also exclude Filipinos for the same period; and I believe this ought to be done. It is clear that to admit unlimited numbers of Filipinos who are entering the United States and settling on the Pacific Coast in increasing numbers, would offset all we have done and propose to do in restricting the entry of Europeans and persons from Central and South America."

EMEIGH BOYS ARE HELD FOR COURT

Quartet Charged with Robbery at Dunsmore Cottage, Near Emeigh, Last Week. State Police of the Ebensburg barracks Friday placed under arrest Blair Zimmerman, William Lees, Camille Buto and Allen Thomas Emeigh youths on charges of breaking and entering, larceny and receiving stolen goods. The boys were given a hearing Friday night before Justice of the Peace Joseph Hilvitz, of Emeigh, and in default of bail in the sum of \$1,000 each they were committed to the county jail at Ebensburg to await action by the December grand jury. The three first named boys are charged with breaking into the cottage at the Dunsmore sisters, near Emeigh, on Wednesday night of last week and again on Thursday night, completely ransacking the place, breaking locks on trunks, pulling drawers from dressers and bureaus, tearing mattresses from beds, and even the paper from the walls in their quest for plunder. They are alleged to have stolen a rifle, a pair of field glasses, a knife, two cameras and a watch, all of which articles, excepting the watch, were recovered. The robbery was discovered by Paul Westover, a rural mail carrier out of Barnesboro, who lives at Emeigh, and who happened to be near the cabin Friday. He saw two of the boys, Lees and Zimmerman, coming from the place and carrying a rifle. He questioned them and Zimmerman gave him a fictitious name. One of the boys had a hunting license, bearing No. 3183 and a checkup on the license showed it was issued to Lees. Zimmerman told the officers the entire story of the robbery, implicating the other three boys.

DAVIS PLANS HOME IN EAST

Senator-Elect May Follow Example Set by Late Senator Philander C. Knox. Secretary of Labor James J. Davis, United States Senator-elect from Pennsylvania, may follow the example of the late Senator Philander C. Knox and establish a home in Eastern Pennsylvania, convenient to Washington, and Philadelphia, it was learned last week. The Secretary will not relinquish his voting residence in Pittsburgh but will spend most of his time in his proposed eastern residence, it was said. For years the late Senator Knox resided on a farm at Valley Forge. Knox did not give up his voting residence in Pittsburgh, but spent most of his time in Pennsylvania on his Valley Forge estate. It has been the custom for many years in Pennsylvania for one Senator of the Keystone State to be chosen from the Eastern section, generally Philadelphia, and one from the Western section, generally Allegheny County, or one of the counties close to the steel center. The exigencies of politics changed this arrangement when William S. Vare, Philadelphia, elected to the Senate but denied a seat, was succeeded by Senator Joseph R. Grundy, Grundy a resident of Bucks County, just outside of Philadelphia, lost the Republican nomination in the May primary to Davis. Both Senator-elect Davis and Senator David A. Reed are resident of Allegheny County.

Two leading football teams, the undefeated eleven of Huntingdon High school and the highly rated Altoona team, will engage in central Pennsylvania's greatest gridiron contest on Saturday, Dec. 6, at 2 o'clock a post-season contest arranged as an aid to the unemployed. The two outstanding High school teams will perform on the Mansion park athletic field, Altoona, a crowd of more than 10,000 being expected. The game marks the resumption of athletic relations between the rival schools, no games being played for seven years. The post-season game, one that is expected to attract football fans from a score of central Pennsylvania counties, is being sponsored by the Charles E. Wilson post, Cashier of the First Veterans of Foreign Wars of Altoona and the Altoona High School Alumni. Receipts from the game will be used to relieve the suffering families of the unemployed in the district.
