

**FORENSIC LEAGUE
CONTEST PLANNED**

Cambria County School's Annual Participation in Events Discussed

At a well attended meeting of the Superintendents and Supervising Principals of the high schools of Cambria County coming under the supervision of Dr. M. S. Bentz, County Superintendent of Schools, held in Dr. Bentz's office at Ebensburg, Friday afternoon, matters pertaining to high school entrance requirements and the Forensic League contests were discussed at length. In regard to the former, Dr. Bentz announced that the details of a plan looking to the setting up of a course of study would be sent to the principals within the next few days. There was also some discussion at the meeting in regard to assuming some of the responsibility for the care of needy persons throughout the county. It was decided that the school heads would aid to their fullest extent in the distribution of such articles as could be procured and Dr. Bentz's office will be the headquarters for the receiving and distribution of such articles.

The list of subjects to be used in Forensic League contests this year will be sent out of the various schools within a short time and the list as announced by Dr. Bentz includes debate, extemporaneous speaking, oration and reading. The subject of debate is "Resolved, That the State Assembly Should Enact Legislation Providing an Old Age Pension."

The music contests will have a large instrumental group, a small instrumental group of piano and three instruments, another of a piano and seven instruments, an instrumenta quartet without piano, an ensemble of from two to five with piano, an instrumental group of from six to 12 without piano instrumental solos on piano, harp, trumpet, French horn, baritone, tuba, flute, piccolo, oboe, clarinet, bassoon, violin, viola, cello and bass viol. The large group will consist of from three to 100 girls, or the same number of boys, or a mixed chorus. The small vocal group will include boys' quartet, girls' quartet, girls' trio, mixed quartet and double quartet. The vocal solos include soprano, tenor and bass.

The classification of high schools is based upon the number of students, schools having 700 or more students being in the A class, those with 250 to 700 being in the B class and under 250 in the C class. All contests will be decided on the point system.

**NANTY-GLO IN LINE FOR
FREE DELIVERY OF MAIL**

With the majority of requirements already completed and the remaining few easily accessible, Nanty-Glo borough is now in line for free government mail delivery. With Congressman Leech pledged to take the matter up in Washington, residents of the borough are confident that the free-delivery system will be installed at Nanty-Glo before the close of the coming year.

Among the requirements of a town to be granted free mail delivery by the postoffice department are that the receipts of the local postoffice be at least \$5,000 per year, that there be continuous sidewalks in the districts served, which must include a population of 1,500 or more; that all streets must be marked with names of streets at intersections and that, before the service is established, all houses be numbered and provided with suitable mail boxes. Nanty-Glo is now in position to meet all these demands, it is claimed.

**GALLITZIN MAN FATALLY
INJURED AT HIGH BRIDGE**

Struck by a passenger train on the Pennsylvania railroad about noon last Thursday at a point known as High Bridge, Michael Sonnefeld, aged 36 years and single, was fatally injured dying of a skull fracture while on his way to a hospital in Altoona. The victim is believed to have been gathering coal along the railroad and emerged above the embankment just as an eastbound train was passing. Apparently a cylinder head on the locomotive struck Sonnefeld, fracturing the skull.

En route to the hospital, the victim passed away in an ambulance. The case reported to the coroner of Blair county, who made an investigation.

The deceased is survived by his father, Peter Sonnefeld of Gallitzin and several brothers and sisters. His mother died less than a year ago.

**SOUTH FORK HAS
NEW LEGION POST**

Organization of the South Fork Post of the American Legion was perfected at South Fork on an evening last week at a meeting of 35 service men from that section. James A. Davis was named Commander of the new unit. The new post was organized under the direction of Attorney Thomas W. Bender, Cambria County District Commander of Johnstown. Officers elected, in addition to Commander Davis, were as follows: First Vice Commander, Leslie R. Davis; Second Vice Commander, Thomas Yates; Adjutant, Joseph Neiderlander; Finance Officer, John Jones; Chaplain, Charles Hand; Historian, Joseph Plummer.

The South Fork district will include Ehrenfeld, St. Michael, Wilmore and Summerhill and a membership campaign will be started immediately. More than 250 ex-service men are residents of that section.

Installation of the officers took place immediately after the election.
