WOLF'S GREATEST SALES EVENT

HAVE YOU A SIX-CYLINDER CAR AND A FOUR-CYLINDER HOME? It's folly to have nothing less than 1939 model in a car and live in a 1919 model home.

This Sale is planned primarily to be of greatest possible helpfulness, inspiration and economy to families seeking moderately priced furniture—to home-makers with a growing desire for more beautiful, more modern homes.

And it comes at a time in changing markets when the savings—by reason of spot cash buying before price advances—are actually sensational!

We repeat our revelation above: "We cannot go into the markets today and replace our furniture stocks at the prices we have marked for February selling"—opening tomorrow morning.

Every room can reap the benefits! Everything in the Sale bears the earmarks of loyal and sincere workmanship and has been built up to the WOLF standard, not down to a price.

YOU CAN afford new Furniture!—at these prices!—and on the agreeable terms which we are in a position to arrange for you!

You can't afford to miss a Sale which circumstances have made so important in genuine money-saving!
