

PATTON BRIEFS

Miss Loretto E. Prindible of Patton was again elected grand regent of Court Our Lady of Victory 722, Catholic Daughters of America, last week in Barnesboro. Miss Rose Farabaugh of this place was re-elected Monitor. Both ladies have been retained in these offices of the organization for the past 16 years.

J. F. Karlheim of Phoenix, Arizona, and wife, have returned to Carrolltown and will reside there with their son-in-law and daughter, Mr. and Mrs. DeSales Switzer. Mr. Karlheim has been in failing health for some time.

A class of children received their First Holy Communion last Sunday morning at the eight o'clock mass in St. Mary's Church here.

Complaints of householders, particularly on Mellon avenue, have been forthcoming relative to cats and their destructiveness. One lady notified the editor that last year a number of gold fish in a private pool were consumed by a feline night prowler, and another reported two nests of robins destroyed. Of course a cat isn't permitted to do these things, but about the way one can stop the cat is to dispose of it. However, a good way to save your cat is to see to it that it is kept in captivity, particularly at night.

Headed by Miss Emma Hall Eastman, home economics extension leader a group of East Carroll township girls recently organized "The Sylvan Valley Sewing Club." The club consists of the following members: Elyvia Randall, Janet Farabaugh, Clara Eckenrode, Dorothy Lauer, Lois Randall, Thelma Snyder, Bessie, Betty, Millie and Carrie Nihart, Claudia Springer, Betty Burley, Phyllis Eckenrode, and LaRue Randall. Activities will continue throughout the summer.

Miss Marjorie Stoltz, daughter of Mrs. Edna Stoltz, of Carrolltown, and Robert Shoemaker, son of Mr. and Mrs. Joseph Shoemaker, of Ebensburg were united in marriage in the Holy Name Catholic church, Ebensburg on Saturday last by Rt. Rev. Mons. H. M. O'Neill, rector.

Officers for the ensuing year of Patton Aerie, No. 1244, Fraternal Order of Eagles, were elected at the annual reorganization meeting on Monday evening. Ralph A. Litzinger was elected Worthy President to succeed L. Claire Smale. Other officers elected were: George Masnica, vice president; Chas. E. Crowell, chaplain; Mark Brown, Secretary; R. Peter Short, treasurer; Albert Welshire, Sr., conductor; Chester Bender, inside guard and Harry Dumm, outside guard. Albert Thomas was elected trustee for three years. John Baranick and Leo Donahue were named delegates to the annual convention to be held next month in Wilkes-Barre. The newly elected officers will be installed at appropriate ceremony at the June meeting of the Aerie.

All plans are now completed for the card and bingo party to be held in the Firemen's hall next Monday evening.

ening, by the ladies of the I. C. B. U. for the benefit of St. Mary's Church and School of Patton. The ladies have been working energetically for some time to make this event an outstanding one in the annals of Patton's social benefit affairs. There will be three door prizes given, and 20 prizes for cards, which should attract the folks. Cinch, bridge and pinochle will be played in the card games. Plan to attend. Have a part in an enjoyable evening.

PATTON BASEBALL

AS REPORTED TO US BY BARBER "JIMMY" LEONE

The Patton Baseball Club won its first two games of the 1939 Season last week by winning from the Rockview Penitentiary Club at Rockview, near Bellefonte on Wednesday of last week by a score of 13 to 6 and defeated Dysart by the score of 5 to 1 on Sunday.

In the Rockview game, Finnik's and Henniger's hitting featured both chalking up a home run each. Dick Burkey showed great form in pitching, striking out 11 batters in four innings that he worked.

The Dysart game again proved Henniger as a slugger with another homer to his credit and Bob Burkey shared honors with two doubles.

Jess DUBYAK pitched a steady game against Dysart, being in trouble only once in the ninth when Dysart scored their lone tally.

The Patton Club has showed in its hitting and pitching that it will be a hard team to beat, so this year, the fans will be assured of a very good season of baseball. The club wishes all fans to turn out to the first home game.

The opening game of the season will be played on the Patton Athletic Field next Sunday afternoon starting at 2:30 o'clock, when the local team will cross bats with the fast South Fork aggregation. The local band will parade, starting at Hoppel's Mill and proceeding down Magee avenue to the ball field.

DRAIN PIPE NEEDED FOR ELDER TWP. ROAD

Work on the construction of a road in Elder Township by citizens and property owners abutting along the highway has been discontinued because of a lack of funds for the purchase of 60 feet of 16 inch drain pipe. The citizens recently undertook construction of the road after a request for WPA funds had been refused. The road being improved was impassable during the winter months.

CARD OF THANKS.
We wish in this manner to thank our friends and relatives for their kindness and sympathy, shown during our recent bereavement, the death of our mother, Mrs. Minnie Endler. Also for the floral offerings and the use of automobiles.

OVER 16,000 TREES ARE PLANTED BY NYA IN COUNTY REFUGE LANDS

More than sixteen thousand seedling trees of various types which furnish food for game have been planted by National Youth Administration Workers on state game refuge lands in Cambria county under projects which have been operating for nearly a year and a half.

Many other improvements also have been made on the state game lands under the NYA projects, according to a report compiled by James Z. McClune, Cambria County NYA supervisor.

Up to April 19th last according to the report, a total of \$6,714.53 had been spent in making these improvements. The NYA had expended \$5,168.38, to which the State Department of Forests and Waters, a sponsor of the project, added \$1,546.15.

The work is being done in Portage, Summerhill and Adams townships,

which comprise part of the Blue Knob or No. 26 State Game Refuge, and others in Chest and White Townships which are included in the Patton state refuge, No. 108. It is being supervised by Bruce W. Catherman, of near Portage, state game protector in charge of land management.

On the Patton refuge lands an additional 7,754 tree seedlings have been planted and 3,681 game food trees released.

The work done on the Patton game lands include the cutting of 30 miles of boundary line and 26 miles of refuge line, posting of 20.2 miles of boundary line, clearing of four and one-half miles of fire road, clearing of six areas averaging 175 by 550 feet for tree planting, "release cutting" 13 game food plots averaging 150 by 450 feet and the stringing of wires and posting of two rabbit propagation areas embracing 300 acres.

In posting the boundary lines NYA workers have blazed and painted the trees along 7.8 miles of line and erect-

ed 124 wood backings, 686 metal signs and 463 paper signs.

A storage cabin, 18 feet long and 14 feet wide has been erected on the property, using logs cut from the land. A corn crib also has been built there.

An average of 11 youths have been employed continuously on the Blue Knob project since it was started on January 1, 1938, according to the report. Under this project the NYA has expended \$2,900.03 and the State Department of Forests and Waters, an additional \$762.10.

The working force on the Patton project has also averaged 11 youths from January 1, 1938, to April 19th last. The outlay of funds on this project includes \$3,268.35 spent by the NYA and 784.05 spent by the state.

Both projects are being continued under supplemental grants in the current fiscal year, which ends June 30. Officials hope to have both projects extended for another year.

It pays to advertise in the Union Press-Courier.
