

SPANGLER LAD, IN COMA FOR TOTAL OF 453 HOURS DIES SATURDAY NIGHT

Unconscious for nearly 453 hours—the result of injuries sustained June 19, when a bicycle on which he was riding was struck by an automobile—Harry Stoltz, Jr., 15, of Spangler, died at 6:30 on Saturday evening in the Miners hospital, Spangler.

The lad suffered multiple fractures of the skull when his bicycle was struck by an automobile driven by Tony Ducca, Barnesboro, on Route 219, which is the main street in Spangler. The victim had been a hospital patient since the time of the accident and failed to regain consciousness at any time.

Coroner Patrick McDermott listed death as the result of a fracture of the skull and hypostatic pneumonia. The lad's condition had been critical since admission to the institution.

Leo Bearer, 12, of Hastings R. D., who was riding with Stoltz on the bi-

cycle at the time of the accident, escaped with minor injuries including brushburns of the right knee, left leg and right hand. According to Chief of Police Michael Whalen of Spangler, the automobile was traveling in the same direction as the bicycle when the accident occurred. Ducca said that he was blinded by the lights of an automobile traveling in the opposite direction and did not see the bicycle until too late to avoid the accident.

Harry Stoltz, Jr., was a son of Mr. and Mrs. Harry Stoltz of Spangler. He was a Sophomore in the Spangler high school and during the past year was a member of the basketball squad.

Besides his parents he leaves three brothers and sisters: Kathleen, Gloria, Walter, Dorothy, Jack, Marjorie, Marilyn, James, Robert and Mary Stoltz, all at home. He was the oldest boy in the family.

Funeral services were conducted on Tuesday afternoon in the Spangler Methodist church and interment was in the North Barnesboro cemetery.

CENTENARY OF PRINCE GALLITZIN TO BE OBSERVED WITH PAGEANT

A pageant on the Life of Prince Gallitzin, Apostle of the Alleghenies, will be one of the highlights of the 100th anniversary of the death of the famed Catholic missionary next May at Loretto.

Most Reverend Bishop Richard T. Guilfoyle, D. D., of Altoona, announced a contest for the writing of the pageant on the founder of Catholicity in this district. The bishop indicated that the pageant would be presented in the new college stadium at St. Francis college, probably on Memorial Day.

To spur writers Bishop Guilfoyle announced a prize of \$50 for the pageant selected for presentation. Application blanks must be obtained from Rev. Father Joseph D. O'Leary, 1211 Thirteenth Street, Altoona.

Besides a prologue and epilogue the pageant must include not less than six nor more than eight episodes in the life of Father Demetrius Augustine Gallitzin.

The type of choral selection, song or dance must be indicated. All manuscripts become the property of the Diocese of Altoona upon delivery to the Chancery. The Bishop reserves the right to judge the most suitable manuscripts, to award the prize and to make any changes in the script deemed necessary or prudent.

Persons interested in competing for the cash award by submitting a manuscript for pageant purposes have been urged to visit the Prince Gallitzin Chapel and the tomb of the revered priest at St. Michael's Church, Loretto, where many articles owned and used by the prince-priest are on exhibition.

Father Gallitzin, known as the prince-priest of the Alleghenies, died at Loretto the evening of May 6, 1840. Activities planned for the 100th anniversary next year will pivot around this date, Bishop Guilfoyle announced.

Given Appointment.

Announcement has been made of the appointment of Burgess David A. Westover of Barnesboro as referral agent to receive applications from needy families for the services of the employees of the housekeeping project administration.

Electricity KEEPS ME OUT OF A HOT KITCHEN

One of the most delightful things about an electric stove is that you don't have to "stay with it" to watch the pot boil or regulate the oven. All you do is to prepare the foods, put them in the oven, and march off to bridge, store or club, knowing that the automatic timer and heat control will stay on the job for you. And an electric stove is clean, cool, convenient and economical.
