

HAL KEMP ATTRACTION AT SUNSET

Hal Kemp, radio's and film's genial southern personality, will bring his orchestra and corps of entertainers to Sunset, the world's most unique ball room, on Wednesday, August 2nd. Headlining the Kemp entertainment bill of fare will be all the stars of his "Time to Shine" radio revue heard over the CBS network every Tuesday at 10 P. M. (EDST), including the Smoothies—Babs, Charlie, and Little; Van Wynn, winsome song stylist; Bob Allen, romantic baritone; Jack Lemaire, rhythm satirist in "Jitters," Eddie Kusby, trombone soloist; Harry Willford, scat singer and the "Golden Trumpet," of Clayton Cash.

America's premier style band, the Hal Kemp combination is noted for its distinctive lilting rhythm, typified by "Telegraphic Trumpet," sub-tone clarinet, glissando saxophone and double octave piano effects.

A new ventilating system has been installed in the spacious ball room, assuring all patrons and dancers of a cool, comfortable evening.

Dancing continues every Friday, featuring road bands coming from all parts of the country. Jack McLean and his orchestra, better known to radio fans as "Down Melody Lane. With Jack McLean" will play on Friday, July 28th.

PLANS FOR CAMBRIA COUNTY FAIR ARE NOW PROGRESSING RAPIDLY

Plans are being made by the Cambria County Fair Association at Ebensburg for what is expected to be the greatest fair ever held in the history of the organization. The event will open at the Ebensburg Fair Grounds, on Monday, Labor Day, September 4th and continue throughout the week until Saturday night, September 9th. Already scores of entries have been received for the various showings of farm, livestock, industrial and mercantile exhibits.

A program of four day racing has been prepared by James A. Wilkinson, Race Secretary of the Association. There will be racing during Fair week on Monday, Wednesday, Thursday and Saturday, with purses totalling \$4,800 being offered.

While every effort is being made to attract the highest class exhibits, the amusement side of the fair has not been neglected. Featured will be Flash Williams, internationally known motion picture stunt star and his fifteen daring auto races.

Known as the stunt ace that Hollywood calls on when the task is too difficult for others, Williams has appeared in more than 165 movies and has cracked up an estimated 1,200 automobiles. The Canadian Provincial Exhibitions asked Flash Williams and

HOLD THAT TIGER!

NEW YORK (Special)—Here's one way to make a living in a profession that's never overcrowded. Captain Proske is literally putting his head in the tiger's mouth at Frank Buck's Jungland at the New York World's Fair. The beast with the meal on the tip of her tongue is Lily, aged seven.

His troupe who risk death in every one of fifteen events on the program to appear before the King and Queen of England on their visit to this continent and Williams started his regular season earlier in order to make this personal appearance.

Flash has many new stunts for 1939. He makes them up as he goes, discarding old tricks but keeping a balanced program. In conjunction with his Thrill Day Program he also presents a safety demonstration which is designed to show motorists how not to drive.

This consists of putting his car into every conceivable skid, turn, bank, etc. and then rectifying the condition. He

said that when he crashes into cars in front of the grandstand, it demonstrates forcefully what would happen if a motorist park his car too far from the curb or shoulder and another car strike it.

While Williams insists his program is scientific and that he sees how near he can come to breaking his neck without actually doing so, he has been injured on some occasions. It is virtually impossible to turn over his automobile end to end and then sideways three times and not have something go wrong occasionally. Much depends on the track, or the weather, or both. The attraction every night in the ar-

ena will be the "Cheer Up Revue," with fifty singers, comedians and beautiful girls. This attraction is known throughout the country as the leading one of its kind and has won great applause wherever it has appeared. The show will be staged in the arena so as to assure fair patrons of witnessing it in comfort regardless of weather conditions.

Every afternoon in front of the grandstand a myriad of vaudeville acts will be presented; these will include the Great Billettis, a bicycle troupe, who perform amazing stunts; the Emerald Sisters, two girls, who are among the nation's leading acrobats; the Three Hollywood Chimpanzees, who provide monkey business in trick bicycle riding and wire walking and the Four Dobas, father and mother and two daughters, high class gymnasts.
