

BETHELEHEM DRIVE SPURTS; 48 LEADERS AFFILIATE WITH CIO

Pittsburgh — Organizing campaigns at Bethlehem Steel Corp. plants scattered throughout the nation spurred ahead following announcement that 48 employe representatives from nine mills have affiliated with the CIO Steel Workers Organizing Committee.

The conference followed National Labor Relations Board action in ordering dis-established the long-functioning Employe Representation Plans set up by Bethlehem and carefully nurtured as a company-dominated rival to SWOC.

All of these mills, as well as others located on the Pacific Coast, were affected by the NLRB decision. Most of the employe representatives said there is "strong sentiment for SWOC" in their mills, particularly since the Labor Board order.

Listed as goals of the organizing campaign are the five-day 40-hour week, \$5 daily minimum pay, time and a half for overtime, and for Sunday work; a permanent vacation-with-pay plan; just seniority rights and more adequate safety measures.

STATE'S INDUSTRY AIDED BY TOURISTS

Harrisburg — Entertaining tourists has joined the ranks of big business enterprises in Pennsylvania. Secretary of Commerce Richard P. Brown announced this week.

"Acting as host to travelers within our borders provides one of the State's largest sources of commercial income," Secretary Brown said. "The tourist business now ranks as the third largest in Pennsylvania, exceeded only by steel and textiles."

Tourists spent \$327,000,000 in Pennsylvania in 1937, and nearly that much in 1938, according to computations by the National Park Service.

Preliminary surveys indicate the tourist business will break all Pennsylvania records this year, the volume having risen sharply since the Department began its advertising to attract travelers to or from the New York Fair.

"Since the tourist advertising campaign began several weeks ago," Secretary Brown reported, "there has been 1000 per cent. increase in requests to the Department for information regarding the State's scenic and historical attractions and its recreational and vacation opportunities. During many days this summer, cars from other states have contributed 60 per cent. of the automobile traffic on the main cross-state highways."

DR. ROBERT L. ARBLE ESTABLISHES OFFICE

Dr. Robert L. Arble, well known Carrolltown physician, and son of Dr. and Mrs. E. F. Arble, has opened offices for the general practice of osteopathy at State College. Dr. Arble graduated from the Carrolltown high school in the class of 1929, received his bachelor of science degree from Saint Francis College, Loretto in 1933, and his Dr. of osteopathy degree from the Philadelphia College of Osteopathy in 1939.

NICHOLAS KORMAN, BARNESBORO, DIES IN HOSPITAL

Funeral services for Nicholas Korman, 65, of Barnesboro, whose death occurred on Sunday night in the Miners' hospital, Spangler, were conducted on Wednesday morning in St. John Greek Catholic church, Barnesboro. Mr. Korman became a hospital patient last Saturday. He was born in Europe in 1874 and came to this country a number of years ago. He leaves his widow, Mrs. Anna (Polchak) Korman, and these children: Joseph, Barnesboro; Mrs. Joseph Bradley, Akron, Ohio; Anna and Susan, Brooklyn, N. Y., and Andrew and Margaret, both at home.

Doctors decided that seven-months-old Sandra Judd Kirchmann was the champion baby in the annual baby parade at Ocean City, N. J.—and another look will convince you the doctors were right.

CIO LEADERS SEE BIG GAINS AHEAD DURING NEXT YEAR

Washington, Aug. 30 — Leaders of the CIO cast an optimistic eye over the labor horizon in their Labor Day messages released today.

All praised the nation's workers for standing firm against employer attacks during the past year, and predicted that the CIO would be responsible for great new gains during the next 12 months.

All agreed, too, that in the nation's organized labor movement lies the defense of democracy against those forces which would supplant it with reactionary dictatorships.

President John L. Lewis, whose message is printed in this publication, keynoted the thoughts of American Workers with this declaration:

"The program of the CIO is a challenge to men and women of good will. It offers to them the hand of progressive labor ready to join in solving the nation's problems, ready to join in the defense of democracy."

BLACKLICK TOWNSHIP WILL VOTE ON MOVIE FOR SUNDAY OR NOT IN NOVEMBER

Voters of Blacklick Township will have an opportunity at the election on Tuesday, November 7, to express their opinion on whether movies shall be permitted in the township after two o'clock on Sunday.

A petition was presented to the county commissioners last week by Attorney Arnold Smorto, asking that a separate ballot containing the question be given the Blacklick township voters at the November election, as the law provides that only five per cent of the highest vote cast in the township at the preceding election is needed to present the petition. It is likely the commissioners will comply with the petition.

Signed to the petition were the names of 100 residents of the township. In the event Sunday movies are voted upon favorably only one motion picture house in the township—that at Big Bend, will be effected.

SPORTSMEN HEAR FIELD DAY REPORT AT RECENT MEETING AT EBENSBURG

Representatives of the various associations comprising the Cambria County Sportsmen's Association, at their regular monthly meeting at Ebensburg last Thursday night, heard reports of the success of the field day sponsored by the county group at the Ebensburg Fair Grounds July 23rd. John U. McFadden, county President, conducted the meeting. Encouraged by the financial success of the first venture, the association voted to continue the field day next year.

All member clubs, the audit showed, would receive 12 cents on each ticket sold by their club members. Additional reports in detail will be forwarded to each club.

DEBT CHARGES THAT FOOD PROFITTEERING HAS BEEN STARTED

Senator John H. Dent (D.-Westmoreland) last week urged Governor James to issue an executive proclamation against "unfair increases in prices of foodstuffs in Pennsylvania" due to European war developments.

"Prices already are being jacked up in some wholesale establishments on flour, sugar and beans, although there is no scarcity in Pennsylvania as yet," the state senator said in a telegram sent from his home in Jeanette.

"Price increases mean profiteering, creating greater hardships for labor," Dent asserted. He asked the Governor to include legislation to prevent "profiteering" in his call for a special session, "if the executive authority is not sufficient for protection of the consumer public at this time."

FORESTRY OFFICE NAMES OFFICIALS FOR FALL SEASON

Inspectors of the Gallitzin Forestry District for the 1939 fall season were announced last week by Charles E. Zerby, district forester, with headquarters in Johnstown.

The inspectors were appointed by Zerby to supervise towers and fire-fighting activities in the four areas in which the Gallitzin district is divided for forest protection purposes.

The inspectors and the district and towers over which they have supervision follow:

Lawrence Cameron of Johnstown, R. D. 1—Southern Cambria County and East Wheatfield Township of Indiana county, Lower Yoder, Hostein, and Pindelton towers.

Carl J. Ott, of Patton, R. D. 2—Northern Cambria and Clearfield Counties (except part of Bell and Burnside townships) St. Lawrence and the Glasgow towers.

C. C. Brubaker of Duransville, R. D. 1—Blair county and Dean and Gallitzin townships of Cambria county, Tri-County, Brush Mountain and Elstie Towers.

and Burnside Townships in Clearfield County, Penn View, Clymer and Glen Campbell Towers.

Forester Zerby said towermen are to be appointed some time this month.

TRI-COUNTY SOCCER LEAGUE SOON READY TO START THE SCHEDULE OF CONTESTS

The Press-Courier is in receipt of the following letter from Colin Maxwell, of Colver, Secretary of the Tri-County Soccer League:

At a meeting of the League held recently in the Royal Hotel in Johnstown, it was settled to get the League under way as shortly as possible. It was also agreed that the entrance fee for each team wishing to enter the League would be nine dollars. The next League meeting will be held at the Central Tavern, Ebensburg, on Friday evening, September 8th at 8 P. M. All teams wishing to enter the League are requested to have representatives attend this meeting and to bring the entry fee along. This league is open for any team or teams within a fifty mile radius of Ebensburg. Any team wishing to join for the first time will be welcomed at this meeting, and at this time the league schedule will also be drawn up for the season.

Flood Waters Undermine Dixie Street

Undermined by flood waters from a swollen tributary of the Alabama river, this section of the Prattville, Ala., main street collapsed, halting traffic through the business district. Floods were caused by heavy rains, and though there was no loss of life, more than 3,000 persons in the southern part of the state were forced to flee their homes.
