

PATTON BRIEFS

Plans for the reorganization of the chorus, dramatic group and study group of the Patton Music Club were discussed at a business meeting of the club held recently. Miss Yvonne Yergler, club president, was in charge of the session. Entertainment at the meeting included violin selections by Angelo Vespa, supervisor of music in the Patton Schools, accompanied by F. D. Litzinger, and selections by the Vested Choir of the C. D. of A., directed by Miss Yergler, with Mrs. M. J. Shannon as accompanist. The 26-voice chorus sang a group of four songs from Nevin's "Venezia."

Gaining 41 yards for the game's only touchdown in the second quarter, Patton high school nosed out Spangler 6 to 0 on the Patton Athletic Field last Saturday afternoon in a northern division game of the Cambria County Conference.

On the Sunday evening of October 16th, the Methodist, Presbyterian and Baptist churches of the community are joining forces in a "Loyalty to the Church" campaign which will be carried on, during the winter months, in the three churches at the evening services. The campaign will begin in the Methodist church, on the above mentioned evening of the 15th with the Rev. Mr. Thorauer preaching the sermon; the following Sunday in the Presbyterian church and the third Sunday in the Baptist church. We are convinced that every sincere professing Christian who is really honest in his claim of being interested in the coming of the Kingdom of God on earth will come out to these meetings regularly and support them with his or her presence enthusiasm, prayers, money and personal interest. Here is an occasion which will reveal to you and the world, by your reaction to it, how much of a Christian you are. Denominational lines will be submerged and disregarded by all who are sincerely interested. Pray and work for the success of these meetings.

At a fire drill held in the schools on Tuesday morning the public school was emptied in one minute and twenty eight seconds. We think this is a remarkable time, due to the fact that neither the teachers nor pupils were aware that a fire drill was to be held until the bell sounded. We feel that if the citizens of the town would show you the same spirit of co-operation that was found in the schools, our yearly fire loss would be much less than it has been in the past. Clean up your premises for winter. Practice fire prevention daily.
