## PATTON BRIEFS

The "Loyalty to the Church" cam-aign, in its initial meeting in the paign, in its initial meeting in the Methodist Church last Sunday evening, has assured itself of a large degree of success as indicated by the large at-tendance present to hear the Rev. Mr. Thorhauer preach the first sermon of the campaign. The preacher appealed to the Christian people of the town to be "obedient to the Heavenly vision," and urged a wholehearted and loyal support in behalf of this high vision. The service next Sunday evening will be in the Presbyterian Church. Out of town preachers and speakers will be brought in as often as possible, and

without previous notice. The "Homilope" for August 20 says, "One of the most frequent and dis-tressing sights of the depression years was respectable appearing men and women approaching people on the street and asking for help. He is an unstable soul. More membership in a local church does not constitute church residency. The test is, Have you claimed your share of the Father's house of prayer, with its Christian fellowship, help, comfort, and peace? And are you as God's child doing your share to help others find these same blessings in the

church?
