

PATTON BRIEFS

Francis J. Cossitor of Patton, a freshman at Franklin and Marshall College, has been awarded a position of fullback on the Freshman Football team.

The regular meeting of the Tri-Hy-Y club met at the home of Mary K. Hoppel on Monday, November 6th. They finished the plans for the Tri-Hy-Y dance and decided to hold it on November 20th having it open to the high school.

Earl Bearer and Ben Sperry, both of Patton, are in the wilds of Clinton county this week where they are on a bear hunting expedition.

Don't forget the annual raffle, bingo and card party to be held next Tuesday evening, November 21st, in the Firemen's hall, Patton, by Branch No. 90, Knights of St. George for the benefit of St. Mary's Church and School.

Rebecca Young of 506 Fifth avenue Patton, submitted poetry for a \$50.00 prize contest sponsored to secure worth while poetry for publication in "Christmas Lyrics of 1939".

Johnny Gibbons received injuries to three fingers of his left hand recently while operating an electric steel cutter on a road job at Bedford.

A birthday party was held at the home of Mr. and Mrs. Thomas Daugherty in honor of their daughter, Donna's ninth birthday anniversary. The party was held from 2 to 5 o'clock and the youngsters enjoyed games, after which a delicious lunch was served.

Those from Patton who attended the funeral of Paul Gearhart, whose funeral was held Saturday in Akron, O., with burial in St. Paul's cemetery at that place, were: Mr. and Mrs. Anthony Niebauer, sons, Germaine and Calestus, and daughter, Anastasia; Mr. and Mrs. Cornelius Gearhart, Mrs. Charles Kelly and Gertrude Gearhart.

The next bingo party sponsored by the I. C. B. U. will be held on Monday evening, November 27th in the Community hall. Cash each game, 35 games for 25 cents.

Miss Hilda Swope, Mrs. Barth Young and Miss Louise Young attended the First Annual Art Exhibit in the Clearfield Trust Company building Saturday afternoon.

Mrs. Nellie Shannon of Philadelphia returned to her home on Tuesday after spending several days at the home of Mr. and Mrs. Max Shannon.

Mr. and Mrs. Theodore Palcho of Washington, D. C., spent a few days last week with the former's mother, Mrs. Agnes Palcho.

Because of the Thanksgiving holiday, the Press Courier will be issued Tuesday of next week, and all advertisers and correspondents are urged to have copy available for us one entire day earlier than usual.

The Townsend Club will meet in the Community hall at 7:30 on Thursday evening of this week. All who are interested are invited to come.

Special Thanksgiving Services will be conducted at the Hebron Lutheran Church on Thanksgiving Day, Thursday, November 23rd, at 7:30 P. M., by Rev. J. J. Youngren, pastor.

The U. S. Bureau of Mines had one of its railroad cars at Barnesboro the last week end for use in the campaign of instruction for employees of mines in the fifteenth bituminous district, of which Dennis J. Keenan is state inspector.

The car, placed on a Barnesboro railroad siding, was available for first aid training purposes until Monday of this week. Arrival of the car marked the first appearance of a car of that type in Northern Cambria county in nine years and the first time in six years that the car has been placed at the disposal of miners in the bituminous field.

Deadeye Gomez

Home in New York from a hunting trip to the New Brunswick woods, Vernon "Lefty" Gomez, pitching ace for the Yankees, holds the 60-pound bear cub he dropped with one shot. It should make a beautiful rug.

Foolproof Jail Unable To Hold Tipsy Prisoner

NEWTON, MASS.—Consternation broke out when an inebriate broke out of Newton's new jail.

True, the fugitive was captured within a few minutes. But the fat was in the fire. The lovely, modern jail was not foolproof. And the police were embarrassed no end.

Locked in Cell No. 1 shortly before midnight, the crafty tippler spied an open ventilator. After crawling through it, he climbed a short flight of stairs and sneaked past the desk where he had been booked only an hour earlier.

Hearing a side door bang shut, the desk officer investigated. Finding No. 1 cell vacant, he sent two patrolmen on a manhunt. They recaptured the culprit, and housed him in a cell—where the ventilator was closed—as far from No. 1 as possible.

In district court the imbiber was given a suspended sentence. He said he knew nothing of the escape until the police told him.

Defendant Lost; Judge Discovers He's on Stand

DALLAS, TEXAS.—The murder trial of a Negro, charged with shooting a milk route driver in an argument over a bill, was very dull. Testimony had been going on without interruption for more than an hour. The jurors looked bored. Spectators openly yawned.

Suddenly Judge Henry King pointed to an empty chair before him and said: "Just a minute. Where's the defendant?"

Startled, the district attorney answered: "Why, your honor, he's been on the witness stand for an hour and a half."

Sheepishly, the judge replied: "So he has, so he has." Then he settled into his chair once again.

QUASH PHONEY MINE OUTFIT

Washington.—Approval of a settlement in the case of the Williams Coal Co., Mannington, Ky., in which the company agreed to abolish completely the Independent Miners' Union, of Western Kentucky, District 1, has been announced by the National Labor Relations Board.

MONTH OF HOLIDAYS.

This November has been a month of holidays, at least for banks and liquor stores. Election day, Armistice Day and Thanksgiving day, and now in some states they are planning to observe Thanksgiving twice.

Help From the Sky

A "suicide squad" of women parachute jumpers to offer first aid to wounded soldiers behind front lines is advocated by Marie McMillen, New York, holder of the world's parachute jumping record for women. The services of the "battalion of mercy" will be offered to France, said Miss McMillen.

CAMBRIA'S HIGHWAY EQUIPMENT IS MOVED TO THE NEW BUILDING

Last Friday was moving day for the Cambria county unit of the State Highway Department.

Immediately in the rear of the office is the main storage room, 250 feet by 61.7 feet. Two wings which also will be used for storage and shop work, adjoin the end of the main storage room. One wing is 69.5 feet by 61.11 feet, while the other is 60 feet by 94.3 feet.

The Cambria County unit of the State Highway Department is said to be the best equipped in the state for fighting snow. Included in the equipment are four rotary plows, three 10-ton tractors plows and 28 other snow-plows.

Work on the building was started

last October by Shutrump Construction Company of Youngstown, Ohio. The building, which is a one-story structure, is of brick and concrete. The interior is lined with leathertex tile. The office in front of the structure is 66.5 feet wide by 45.4 feet deep.

The Cambria County Department is at present placing snow fences throughout the county. When all are placed more than 110 miles of fence will be up to aid in keeping snow off the highways. This is an increase of approximately 46,000 feet as compared to snow fences erected last year in the county.

That there is no ideal climate for the treatment of tuberculosis is fairly well established. Certain climates are beneficial only to the extent that they permit tuberculosis patients to spend a maximum of time out of doors.

CAMBRIA COUNTY TO SELL \$300,000 WORTH OF ITS BONDS

Bids for the sale of \$300,000 worth of county bonds will be opened by county controller Henry L. Cannon at 11 A. M. on November 27th. The proceeds of the sale will be used for operating expenses. The bonds will mature in the amount of \$80,000 each year beginning November 15, 1940, over a period of five years.

It is expected the county will be able to obtain bids carrying a low interest rate. In 1938 the county sold \$207,000 in refunding bonds at an interest rate of 2 per cent, replacing issues which had drawn interest at rates running from four and one-half to five and one-half per cent. The present issue is expected by Mr. Cannon to be sold at an interest rate below two per cent.
