that "virtually the entire wage contract has now been completed for a major portion of the country's soft-coal industry, and that there were indications that at least an important part of the shutdown raies would open soon.

He made the statement after Northern Appalachian Coal Operators and the United Mine Workers of America worked past midnight Tuesday in an effort to complete all datails for a new wage contract.

The proposed contract, Steelman said, was "very nearly in shape" for possible signing. The crisciliator added however that the government was making one lists attempt to bring the Southern Appalachian Coal Operators, who boiled the wage conference in the country will be conducted at 2 o'clock Sunday afternoon, May 25, in the are n a at the Ebensburg Fairgrounds. Color guards from every post in the county will participate, it was announced. Arrangements for the affair are in charge of a committee that is headed by Committee President Willer Stinson of Ebensburg.

Leo Kanie, veterals representative in the Johnstown State Employment of the large sanitary buth house has been laid sewer and water lines have been dug and a general least of the ground attended the wage conference in the very near work on this project in the very near to the very near to the very near to take shape in the 26 clock Sunday afternoon, May 25, in the are n at the Ebensburg Fair from every post in the county will participate, it was announced. Arrangements for the affair are in charge of a committee that is been during the county will participate, it was announced. Arrangement for the affair are in charge of a committee that is been during the county will be spent on the very near town of the state of the very state work on this p Over \$40,000 will be spent on the First National Bank at Patton
