**IRVONA MAN CHARGED WITH ASSAULTING GIRL**

Ashville R. D. Miss Said Attacked by Don Termin Near Patton Late in September

Charged with having criminally assaulted a 15-year-old girl of Ashville R. D., Don Termin, 41, of Irvona, has been arrested by county detectives and State Motor Police. The arrest took place last week in Emporium. He was then brought to Ebensburg where he denied having criminally assaulted the girl, but admitted other details on her story.

Termin admitted that on last September 22 he went to the girl's home and told her mother that he desired to employ the daughter as his cousin needed the services of a girl to do housework.

The defendant also admitted that after employing the girl he took her in his car and later parked on a side road between Patton and Hastings where, according to the girl, Termin criminally assaulted her. Termin, however, denied having committed the assault, but confessed he had attempted to become familiar with the girl.

According to the story of both Termin and the girl, they then left the scene of the alleged assault and went to Patton, where the girl left the car.

Termin was traced by authorities through the aid of the girl, who had earlier seen him leave the car in Hastings, go into a store, and emerge with a young woman. Police authorities learned the identity of the young woman and then began the search for Termin, which ended with his arrest.
