

PATTON BOROUGH'S OFFICIALS ENDORSE WORK OF RED CROSS

Point Out Reasons Why Citizens Should Give Double in the Forthcoming Campaign.

OTHER PATTON NEWS

The following is a proclamation issued by local borough officials in connection with the Annual Red Cross Drive which is now under way.

PROCLAMATION

By the Burgess and Town Council of the Borough of Patton, Pennsylvania, proclaiming the month of March, 1943, as a Red Cross "Mercy Crusade" to raise \$125,000,000, so the Red Cross can march side by side with our Fighting Men in their war to preserve all "Our Concepts of Mercy and Human Decency."

The Borough Officials and Town Council of the Borough of Patton, Pa., in complete and sympathetic harmony with the great and unprecedented drive of the Red Cross to meet the needs of our soldiers, wherever they may be, on the firing line, in the trenches, lying sick and wounded in one of our hospitals or far removed from the ordinary comforts of life, respectfully urge upon our citizens the urgent need for most liberal contributions to the Red Cross to enable it to "carry on its morale-building work" among our soldiers who are enduring the real hardships of this greatest of all wars.

In the words of the President of the United States, "the Red Cross is undertaking a task unprecedented — because this war is unprecedented — we undertake this greatest of all Red Cross crusades in the name of mercy — now that we are engaged in a war to decide whether all our concepts of mercy and human decency are strong enough to survive."

Many of the sons of Patton and this vicinity are now engaged in this great global conflict. We must not let the boys down by failing to support this great humanitarian cause. We therefore urge all our people to give generously to the Red Cross in this drive and thereby show the soldiers who defended us on the battle fronts that we stand united back of them on the home front, ready and willing to contribute to their comfort and needs until the great cause for which they

fight and suffer has been finally and definitely won.

To this end we urge all people of Patton and vicinity to give most generously to the Red Cross crusade. Adopted by the Burgess and town Council of the Borough of Patton, this third day of March, A. D., 1943.
