

PATTON NEWS BRIEFS

Two Patton soldiers interrupted their duties with the Military Police Detachment of the Army Service Forces Replacement Depot, Camp Reynolds, Pa., to take an intensive course in military training at the camp. They are: Pfc. George J. Shatrosky, 601 South 3rd Ave., Patton, and Pvt. Anthony R. Dubulis, 811 Magee avenue. Pfc. Shatrosky, a member of the Eagles, Moose and Veterans of Foreign Wars, has a brother, Cpl. Charles, in the Army. Pvt. Dubulis is a member of the American Legion.

John Cafeo, Seaman, 2-c, has completed his basic training at the Naval Training Station, Sampson, N. Y., and is spending a leave here with his parents.

Richard J. Riner, s-c, of this place has completed his basic recruit training at the Naval Training Station at Sampson, N. Y., and has been granted a leave.

Among those now beginning a nine weeks pilot training course on four-engine Liberator bombers at Maxwell Field, Alabama, is 2nd Lieut. William Joseph Simpson of Patton. Lieut. Simpson was hand-picked by Army Air Force experts as having those qualities needed to become a commander of four engined battle-craft and his training will be as complete and thorough as the AAF can make it. On completion of the course, he will receive further training within the AAF training command.

Mrs. Laura Long is recuperating at her home on Magee avenue after undergoing an operation at the Miners' Hospital, Spangler, where she had been a patient for two weeks.

Ronald A. Smale, who has been in training with the Naval Forces at Oklahoma A & M College, has been promoted to the rank of petty officer, 3rd Class, Aviation Radio Technician, and after spending three days with his parents, Mr. and Mrs. L. C. Smale, of West Magee avenue, he reported to the Naval Air Base at Corpus Christi, Texas, for advanced radio training.

Mr. and Mrs. Angelo Yannitelli have received word from their two sons serving with the armed forces that they have arrived safely overseas. Pvt. Joseph Yanitelli is stationed somewhere in Australia and Pfc. Frank Yanitelli, who had been in North Africa for a short time, is now in Italy.

Warren P. O'Leary of Patton, has been commissioned a second lieutenant in the Army Air Force. Climaxing a year of peak peak production of fighting airmen, Randolph Field last Friday graduated another class of pilots which included Lt. O'Leary, and the graduates now will go to new assignments preparatory to entering active operations against the Axis. All of the class were awarded silver Wings. Lt. O'Leary will go to Ellington Field, Texas, and will become a potential bomber pilot.

Sgt. Walter J. Squires, of Camp Howize, Texas, has returned to his station after spending a fifteen day furlough with his mother, Mrs. Helen Squires.

Ralph Rosian underwent an appendicitis operation last Thursday at the Spangler hospital.

Tony Talerico is a surgical patient at the Spangler hospital.

Lieutenant George C. Hoppel, Jr., son of Mr. and Mrs. George C. Hoppel, of Magee avenue, of the Army Air Force, received his Wings at Marianna Field, Florida, on November 4th. After he and his wife spent a brief visit at his home here, Lieut. Hoppel went to Goldboro, North Carolina, where he is now stationed with the 322nd Fighter Squadron, flying a P-47 Thunderbolt Fighter Plane. This type of plane is the Army's only all metal plane, which takes 30,000 man hours to build at a cost of \$50,000. After six weeks at Goldboro, he will be sent to a replacement unit, where he will await call for overseas. Lt. Hoppel was in Officers' Reserve before entering service and was called to active duty on February 6, 1943, at which time he entered the Engineering Division, but later was transferred to Maxwell Field, Alabama, where he took his first and secondary training with the Air Corps.

Cpl. and Mrs. Harold Merriman and son, spent the past week at the home of the former's mother, Mrs. Nettie Merriman of this place. Cpl. Merriman has now returned to Camp Heider, Arizona.
