LAUGHING, JOKING AND PLAYING GAMES, THEY FREQUENTLY MAKE CROSSINGS WITH LESS CARE THAN THEY SHOULD—FORGETTING MOST OF THE PED-ESTRIAN SAFETY RULES THEY HAVE BEEN TAUGHT. IT'S UP TO THOSE OF YOU "AT THE WHEEL" TO WATCH OUT FOR THEM. SO LET CAUTION BE YOUR WATCHWORD. SEE THAT YOUR CAR IS IN SMOOTH RUNNING ORDER. KEEP ALWAYS ON THE ALERT, DRIVE SLOWLY, CAREFULLY AND STOP AT ALL CROSSINGS. ONLY BY DOING THIS CAN YOU AVOID TRAGEDY. DON'T BE RESPONSIBLE FOR SOME PARENT'S HEARTBREAK BECAUSE YOUR CARELESS DRIVING HAS SNUFFED OUT THE LIFE OF HIS SCHOOLBOUND CHILD.

THE BIG THREE OF TELEPHONE EXPANSION

For more than half a century, the telephone has served the farmer well . . . in business . . . in more pleasant living . . . in emergencies, where seconds count. And now that the war is over, the telephone ought soon to serve more and more farmers even better than before. Soon? As soon as we get out from under the tremendous job of reconversion, production, and installation. As soon as our own returning veterans are back on the job, giving us the manpower we so much need. Meanwhile, we'll keep you fully posted about our plans and progress. We want them to become realities every bit as much as you do.
