

LARGE WAR FUND QUOTA ACCEPTED BY COUNTY AREA

\$75,360 to Be Split Between Mining Industry & Others Exclusive of Johnstown

Cambria County, exclusive of the greater Johnstown area, has accepted a quota of \$75,360 for the United War Fund campaign which will be conducted next month under the direction of Dr. Arthur M. Stull and Andrew B. Crichton.

Co-chairmen Stull and Crichton have revealed that the county area has been asked to raise in excess of \$75,000 as the county's share of the National War Fund for 20 recognized and approved agencies that will share in America's generosity to the needy and stricken.

In announcing the goal, Stull said that the county's share of the National War Fund for 20 recognized and approved agencies that will share in America's generosity to the needy and stricken.

The county territory does not include Johnstown and the adjoining boroughs, nor the townships of Stonycreek, Conemaugh, East Taylor, West Taylor, Middle Taylor, Upper Yoder and Lower Yoder.

In mapping out the campaign for the United War Fund, which includes such better known organizations as USO and United Seaman's Service, the co-chairmen divided the \$75,360 quota into two parts—half from the coal industry and half from individuals, firms and organizations not directly related to coal.

Under this plan Chairman Stull will organize "the people" to raise \$37,815 while Chairman Crichton has accepted a like quota to be subscribed by the coal industry—ownership and the United Mine Workers of America.

Regional Chairmen Announced Regional chairmen were announced by Dr. Stull as follows: District 1. Fred B. Buck, Carrolltown, president and cashier of the First National Bank of Bakerstown. Mr. Buck is active in numerous civic endeavors in the northern part of the county, has had important roles in Boy Scout campaigns and as a banker has been prominent in all of the seven War Loan Drives to date. For many years he was an officer of the Cambria County Bankers Association. Chairman Buck will direct the United War Fund Campaign in Susquehanna, West Carroll, Barr and East Carroll townships and the boroughs of Carrolltown, Barnesboro and Spangler.

District 2. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 3. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 4. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 5. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 6. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 7. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 8. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 9. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 10. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 11. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 12. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 13. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 14. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 15. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 16. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 17. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 18. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 19. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

District 20. John I. Barnard, principal of Patton High School. In addition to his work in previous War Loan Drives, Mr. Barnard has taken an active part in other community movements including Red Cross work in Patton and vicinity. As chairman of District 2, Mr. Barnard will be called upon to organize the rural and the sparsely settled areas in the north section of the county. His district consists of White, Reade, Chest, Clearfield, Dean and Elder townships and the boroughs of Ashville, Patton, Chest Springs and Hastings.

LOWEST GRADES BEEF TO BE 'FREED' MONDAY

20 Per Cent of Beef Supply to Be Unrationed October 1 Say Food Officials

The three lowest grades of beef will be sold without ration points on October 1, food officials at the Nation's Capital have announced. These grades, known as canner, cutter and utility, are used principally in canned and processed meat including also hamburger, sausage, and boiling meat. They make up about 20 per cent of the beef supply.

Pork, lamb and the three top grades of beef—commercial, good, and choice—will continue to require ration points. The three top grades of beef are the source of most steaks, roasts and other popular table cuts.

The low grades of beef will remain technically on the rationing list although their ration values will be reduced to zero. This makes it much simpler from an administrative standpoint, officials explained, to restore them to ration control should it become necessary.

Action on the three lower grades of beef, they said, reflected an increasing supply of beef, particularly of the lower grades. Marketings of cattle from Western and Southwestern pasture and range areas are increasing sharply to follow fall marketing patterns.

There has been no indication when the rationing on other meats may be terminated. Officials have said that this will be determined largely by overseas commercial and relief requirements.

There has been no indication when the rationing on other meats may be terminated. Officials have said that this will be determined largely by overseas commercial and relief requirements.

ST. BENEDICT MINE ACCIDENT TOLL NIL FOR LATEST PERIOD

Victor No. 9 Men Get Banner at Recent Meeting of Joseph A. Holmes Safety Council

Carrolltown Coal Company's St. Benedict Victor No. 9 mine, with a perfect no-accident record for the past month, was awarded the safety banner of the North Cambria County Council, Joseph A. Holmes Safety Association, at its regular meeting last week in Barnesboro.

Discussions on furthering the mine disaster program drawn up by State Mine Inspector Dennis J. Keenan and adopted by the district marked the meeting.

Walter Williams of the Moshannon Smelting Company at Beccarrick, Clearfield County, addressed the group on systematic timbering, the proper use of explosives and danger in misuse and necessity of inspecting transportation equipment.

Joseph Collins, returned World War II veteran, told the miners he was glad to be back among them. His father, Bernard W. Collins, Barnesboro miner, gave a talk on safety.

General safety discussions were presented by John J. Dougherty and David Krischer of the United States Bureau of Mines office in Johnstown.

Inspector Keenan of the 15th Bituminous District presented a talk on recent a fatality in the district. His disaster plan for rushing experienced men and materials without delay to the scene of any mine accident was discussed by John Rairigh of Stonycreek Coal Company.

There was a public communication and Joseph Jones of St. Benedict, the weighmaster at Carrolltown Coal Company, on the value of the organization.

Thomas Lamont read a letter from Lt. Robert Hannagan of Barnesboro on coal mining in Burma. At the next meeting John Dougherty will speak on "Barricades" and P. L. Stafford on material distribution. W. R. Kelly will talk on maps and fans.

DYSART MAN PRESENT AS TOJO HOSPITALIZED

Staff Sgt. Balzano Sends Copy of the Original Admission Sheet to Judge Nelson

A copy of the original admission sheet recording the admission of Ex-Premier Hideki Tojo of Japan to the 98th Army Evacuation Hospital in Yokohama after the former military ruler attempted to commit suicide was sent to Judge A. A. Nelson of Ebensburg by a Dysart soldier, Staff Sgt. John F. Balzano.

Tojo's name was the first that appeared on the list. Ten other persons, including an American civilian and a member of the Marine Corps, were admitted on the same day as Tojo, Sept. 11.

American doctors immediately began treating Tojo for a gunshot wound in the left chest, Sgt. Balzano said in his letter to the Judge Nelson. He told of being present at the hospital when Tojo was brought in after he had attempted to commit suicide in his home.

Sgt. Balzano said Tojo shot himself just an inch below his heart. The Dysart soldier stated that after the former Jap premier was admitted many Army officers and newspapermen rushed to the hospital.

Before entering the Army about three years ago, Sgt. Balzano was engaged in the trucking business in Dysart. He also was interested in baseball and managed many teams in the northern section of the county.

CONTACT THE ARMY LEAVE EXTENSIONS

Soldiers Eligible for 15-Day Extensions Not to Call On Draft Board

State Selective Service Headquarters have advised veterans eligible for 15-day extensions of redeployment furloughs to contact the military authorities who granted the original leaves and not local draft boards.

A spokesman said inquiries had been made at headquarters by the members of local boards after soldiers had appealed for aid under the misapprehension that they would be able to facilitate extensions.

Military authorities are sending out postcards to those who are eligible for furloughs, but in case a man is eligible and does not receive his extension by mail he is advised to inquire about it after a reasonable length of time.
