The Satisfied Shopper Is The EARLY Shopper!

Nearer and Nearer comes MORE TELEPHONE SERVICE
 Every day brings more and more telephone service nearer and nearer to the increasing number of farmers who will rely on it for business, for more pleasant living, and for emergencies.
 Western Electric, producers of telephones, dial equipment, and cable for The Bell System, is hard at work. Equipment is coming. Then starts the tremendous job of installation for farm (and city) needs.
 Meanwhile, we'll keep you fully posted about our plans and progress. We want them to become realities every bit as much as you do.

THE BELL TELEPHONE COMPANY OF PENNSYLVANIA

Buy with Care...
AND FINANCE WITH CARE
 There are probably a number of homes available from which to make your choice. Likewise, there are various mortgage plans available. Select both with great care. Our business is making mortgage loans. We'll be happy to suggest an arrangement best suited to your personal needs.
