SPANGLER-EMEIGH GAME RULED OUT AT LEAGUE MEETING

Spangler Polish Legion defeated Eneigh 3-1 in a Northern Cambria League game played on the Spangler field last Tuesday evening. J. Ranish allowed only two hits and fanned eight Eneigh batters.

The game, however, was protested by the Eneigh Club due to the use of J. Ranish by Spangler, the pitcher having played in Cambria County Industrial League since June 1.

Infraction of Rule 13

This was an infraction against Rule 13 of the Northern Cambria League by-laws, which states that a player is ineligible to play in the league if he plays in another league.

At the regular meeting of the N. C. League held last Thursday in the Spangler PAL Hall, the league ruled the game be erased from the records, but due to the circumstances of the case, did not award the game to Eneigh but ordered the game to be re-played on the Eneigh field instead of the Spangler field.

The summary of the uncounted game was as follows:

WINNING N. C. TEAM MEN TO GET JACKETS

A committee was appointed to raise \$100 to be used by the winning club of the Northern Cambria Baseball League to buy jackets for players at a meeting of the organization last Thursday evening in the Spangler Polish Legion Hall.

Members of the committee are Francis Huber, John Polites and George Katchmer.

Two By-Laws Changes

The league also inserted in the by-laws that a \$3.00 fine be imposed on any club for not having a representative present at a regularly-scheduled meeting.

Another change was that Rule 13, regarding players playing in other leagues, would not pertain to junior teams or players.

The next meeting was called for Thursday, June 27, at 7:30 p. m. (EST) at the Spangler PAL Hall.

FRISCH TRIES MUSIC TO AROUSE HITTERS

Frankie Frisch, manager of the Pirates, was very seriously considering adding a harmonica player to his roster, but now he is not sure that even music hath charm.

The moushorgan maestro is a Chicagoan named Emmett Wiggins, who organized a four-piece band in the Buc's Muncie (Ind.) training camp two years ago while recuperating from an injury suffered in the Navy. Other members of the ensemble were Rip Sewell, bass fiddle; Bob Elliott, spoons, and Honus Wagner, hands. The Pirates finished third that year.

Frisch saw no relationship between the hillbilly music and the extra-base hits that season, but things are different now, with the Bucs averaging less than three runs per game.

FRANKIE GUSTINE ADMITS ERROR

Frankie Gustine, Pirate second baseman, had an error marked against his spotless record last month three days after he admitted he had committed the miscue.

In the first game of a May 5 double-header with the Dodgers, Catcher Bill Salkeld, attempting to break up an attempted steal of second, threw the ball into center field when neither Shortstop Bill Cox nor Gustine covered the bag.

Unable to determine who should have covered the bag, the official scorer gave the error to Salkeld. But three days later, when Gustine saw the official scorer, he told him it was his fault and asked that the misplay—his first of the season—be chalked against him. The scorer complied.

ARRANGES CONCERT

So when the Pirates landed in Chicago recently, Frisch called the maestro and requested a concert. Wiggins' concern turned in a solo. Sewell was Florida-bound to recuperate from a sudden illness; Elliott couldn't find any spoons, and Wagner had a bruised hand.

Wiggins started with "Begin the Beguine" for Frank Gustine, and "Frisch yelled 'Never mind him. He's batting .364. Concentrate on the outfielders.'" He played "Coax Me A Little" for Ralph Kiner, followed by "St. Louis Blues" for Fritz Ostermuller, who just dropped a 1-0 decision to the Giants.

Whether the music will have any effect on the Pirates cannot be proved immediately.

ASSAULT WINS DWYER STAKES AT AQUEDUCT

Assault, winner of the Triple Crown—Kentucky Derby, Preakness and Belmont Stakes—won the Dwyer Stakes at the Aqueduct race track last Saturday to set an all-time money-winning record for three-year-olds.

Assault's winnings now total \$339,720. The previous record was made by Gallant Fox, who won \$308,275 in 1930.

JUNE 2 SAD DATE FOR MANAGER DICKEY

As Bill Dickey watched the rain wash out the double-header June 2 at the Yankee Stadium, the new manager of the Yankees recalled that it was the fifth anniversary of another day of gloom—June 2, 1941, when Lou Gehrig died.

Dickey was Gehrig's pal and his roommate for several years before he died.

Gehrig's reputation remains untarnished as one of the greatest hitters and first-basemen of all time. His locker at the Yankee Stadium has been sealed.
