Bucs to Change Hotels This Season

A list of hotels at which the Pirates will make their headquarters in the various National League cities during their '47 travels shows three changes as compared with the set-up of 1946. Shifts will be made in Chicago, where the Bucs will put up at the Stevens; in St. Louis, where the Chase will be the new stopping place, and in New York where the Commodore will be the headquarters for both the New York and Brooklyn games.

The Pittsburgh Club again will stay at the Benjamin Franklin in Philadelphia, the Kenmore in Boston, and the Netherland-Plaza in Cincinnati.

One angle that makes Pittsburgh fans feel that the new owners of the Pirates will quickly have the Bucs on the upswing to better things is the fact that first-division baseball is almost a tradition at Pittsburgh.

Steel City fans will be back on their regular diet when the Pirates get back to a spot among the first four clubs in the National League. In the past 47 years, Pittsburgh has finished in the first division 37 times. Only 10 failures in the 47 years to land in the first division is just about a record for winning ball in a consistent manner.

With 60 full National League seasons, the Pirates finished in first place 6 times, in second place 11 times with one tie for first position in the league, 7 times with one tie, in fourth place 12 times, fifth place 6 times, sixth place 6 times, seventh place 5 times and eighth place 5 times.

Excited Crowd Sees Reds Winner

In an exciting and hard-fought game of the Intra-Class League at PHS last week, a large number of students saw the Reds take the Cards, 12-10.

The Reds were paced by Swab, while "Short Pants" Short was the outstanding player for the losers. This was the Cards second victory, and the Reds third defeat. Games were resumed on Tuesday of this week.

REDS G F T: M. Long 2 0 4, J. Farrell 2 0 2, H. Hullihan 1 0 2, J. Cositor 0 0 0, L. Single 0 0 0, Swab 2 0 4, Totals 6 0 10

Spangler, Hastings Boys With Pirates

North Cambria is well represented on the rosters of the Pittsburgh Club this year.

Robert Bills of Hastings is on a Pirate farm team, too. He also is well-known in this section, and is with the Class D team at Rehoboth Beach.

Al Gionfriddo of Dysart again this year has a berth on the main Pirate team at Pittsburgh.

Communications Must Be Signed

While the Press-Courier office seeks to exercise care in the veracity of its news items, and requires items mailed or handed to be signed in full by the person submitting such items, we have been a bit lax in this respect, we will, in the future, require that all news contributions be signed, not for publication, but as an evidence of good faith.

Any man's Darling—every man's Pride. Who says you're only young once? Take a look at this trim, new Buick—or better, take its wheel—and see just how wrong that old saw is!

Important Person who's arriving. Take it through the tangle of traffic and see how nimbly it maneuvers—check it at a boulevard stop and see how sure and positive its controls are.

In all truth, here's a car that's any man's darling, every man's pride. A car that not only meets your needs for transportation, but satisfies your every hankering for size and power, style and room, solid worth and top-dollar value.

Naturally, it's a much wanted car. America's most wanted automobile.
