

Court Sentences Long, Gochmour

In pleading guilty to charges of burglary, Albert Long, 18, and Paul Gochmour, 26, both of Cherry Tree E. D., admitted looting five Cambria County business places. They admitted a juvenile was with them on two of the "jobs." The boy was referred to juvenile court for further action.

Gochmour was ordered to serve from four months to two years in the county jail and Long was given an indeterminate term in the industrial school at White Hills. The costs were ordered divided between the two defendants.

Long and Gochmour admitted entering the John Danko and Andrew Panchis stores in Wilmore Jan. 7 and stealing about \$336.42 in merchandise. They also admitted burglarizing Cunningham's Service Station, Hastings, and getting \$250 in loot. When they entered Billow's Tavern, Carrolltown, Jan. 3 the men admitted they stole \$50 worth of beer, wine and whisky. They said they obtained \$22.13 in merchandise when they looted the Richard Bradford Service Station in Spangler.

Dust Said Cause Of Centralia Blast

The Centralia mine disaster probably was caused by a coal dust blast set off by explosives ignited in a "dangerous and non-permissible manner," according to a U. S. Bureau of Mines report which "forcefully demonstrates" that:

1. Explosives should be set off only under approved conditions and only when all miners are above ground.
2. Partial rock-dusting "leads to a false sense of security" and should be done in all working sections of a mine to eliminate the coal dust hazard.
3. All miners should be taught proper safety methods and the hazards of coal dust explosions should be reevaluated.

Five of the inspectors agreed that the explosion occurred where blasting crews were using old-type caps and fuses instead of bureau-approved electrical blasting caps.

Many Forest Fires Blaze in District

Volunteer firemen throughout the district were kept busy over the week end fighting small grass and brush fires.

More than a score of small fires were reported in the district over Saturday and Sunday. Ebsenburgh firemen alone made five runs with in 25 hours between noon Saturday and 1 p. m. Sunday.

Hastings and Patton companies made several runs to adjacent townships to nip small fires. In the most serious fire, outbuildings were threatened on the Link farm in Susquehanna Township. Hastings firemen succeeded, however, in bringing the fire under control before it reached the frame buildings.

All towers in the Gallitzin district have been manned and firemen issued warning against building any fires in the woods during the current dry "spell."

Gallitzin Sportsmen Use Unusual System

The Gallitzin Sportsmen's Club has a unique way of feeding wild game according to an announcement made at the regular meeting of the Cambria Co. Sportsmen's Assn. last week at the Ebsenburgh Courthouse.

The Gallitzin delegation reported they had chartered an airplane and distributed more than 50 bushels of corn in the mountains in the Gallitzin area.

The corn-on-the-cob dropped in this manner is an excellent food for deer, squirrel and wild turkey. A small portion of corn was dumped out at evenly-spaced intervals.

It was disclosed by Game Protector N. M. Rhua at the meeting that the State Game Commission can provide many more ringnecks if the local sportsmen agree to raise chicks. He urged the clubs to go along with the plan. Rhua stated that the young chicks can be raised at the game commission hatchery, but at the present time there are not sufficient facilities for raising the birds.

Hastings Army Man Promoted to Corporal

John C. McQuillen, son of Mr. and Mrs. Fred McQuillen, Hastings, has been promoted to corporal at Windsor Field, British West Indies. His present assignment is that of administrative specialist with the A. A. P.'s communications service. A graduate of Hastings High School, McQuillen entered the Army in March, 1946. He was employed by Garman Coal Company, Barnesboro, prior to enlistment.

Barnesboro Driver Gets 30 Days in Co. Jail

Pleading guilty to failure to stop at the scene of an accident, John J. Pizur, Barnesboro, was ordered to serve 30 days in the county jail. In asking the court to rescind the jail sentence, Pizur said only \$10 damage resulted in the accident. The defendant claimed he had four children to support. The court refused his appeal and he was lodged in jail.

Area Scout District Sets 5-Year Goal

The Northern Cambria District of the Adm. Robert E. Peary Boy Scout Council will be required to form the Cub Scouts units in the next five years to meet the goal set for it by the council.

This goal was disclosed at a meeting of the North Cambria group following the dinner-meeting of the Northern Cambria Kiwanis Club at the Central Hotel in Carrolltown Thursday evening. The plan is part of the expansion program set up in 1945 by the Adm. Peary Council, with the program to continue through 1949.

Sixteen troops or senior units and six cub packs are needed to meet the North Cambria quota, according to Cletus Lehner of Bakerton, district chairman. Each of the area troops now has training leaders, he also disclosed.

A senior unit was formed in Patton only a few months ago.

Cresson Girl Bride Of Adrian Craver

Miss Carolyn Galiffa, daughter of Mr. and Mrs. Louis Galiffa of Cresson, was married to Adrian Craver, son of Mr. and Mrs. Austin J. Craver of Cresson, formerly of Patton, were united in marriage at a Nuptial High Mass at 8:30 Saturday morning in St. Francis Xavier Church, Cresson. Rev. Father Bernard Conley officiated.

Miss Elizabeth Galiffa, sister of the bride, was bridesmaid and Adrian Craver, brother of the groom, was best man.

The bride wore a gown of white marquisette and a finger-tip veil caught with a tiara of seed pearls and ribstones. She carried a white prayer book with two white gardenias and streamers. The bridesmaid wore a pink taffeta gown and matching shoulder-length veil with a tiara of flowers and carried a bouquet of mixed flowers.

A wedding dinner was served to the immediate relatives at the Summit Country Club in Cresson and a reception was held at the home of the bride in the evening.

The newlyweds left on Wednesday trip and on their return will make their home in Turtle Creek, where Mr. Craver is employed by the Union Railroad Company.

Another Bid Received On Ashville Road Project

A. E. Obblock, Unity, Pa., has asked the sum of \$217,911 for the construction of 1.19 miles of concrete road and a plate girder bridge on Route 36 between Ashville and Chest Springs, in a bid submitted to the State Highway Dept. during the past week.

What action will be taken is not known. However, the improvement has been advertised several times and the state rejected a bid of \$212,000 in 1946.

Burglary Couples Get Jail Sentences

Seven defendants appeared in Cambria County Court Monday to enter guilty pleas to a long series of burglaries in the county.

Ralph Viscusi, 28, Beaverdale R. D., and Donald E. Walk Jr., 20, Dunlo, pleaded guilty to at least nine burglaries in Cambria County. Police said the men admitted stag-

ing approximately 30 burglaries in six counties.

Walk was given an indeterminate term in Pennsylvania Industrial School, White Hills, and Viscusi was ordered to serve 18 months to three years in Cambria County Jail. Retainers have been lodged against the men by police from Somerset, Bedford, Clearfield and Westmoreland Counties.

Their wives—Mrs. Thelma Viscusi, 22, and Mrs. Lois Walk, 18—claimed they were with the men when only two places were robbed.

The women said they were along March 29 when Ray's Market, Johnstown, was looted and the four were apprehended by the Johnstown police. Both women were placed on probation for three years.

The court was informed that despite the burglaries in six counties between March 10 and 29, the quartet's entire loot amounted to about \$75 to \$85.

The two men admitted to robbing the following places in Cambria County: Muhollen's Service

Station, Portage; Schettig Motor Sales Co., Cresson; Abram's Service Station, Haws Pike; Ray's Market, Johnstown; Main Street Garage, Carrolltown; Elton Post-office and store, Kiel Service Station, Portage; Laeue & Jones Service Station, Patton, and Patton Motor Sales. In five of the places, the defendants said, they did not get any merchandise or cash.
