Garden Club Outing Is Held at Leiden's Cabin

The Garden Study Club held their annual picnic at Leiden's cabin at St. Lawrence on July 29. Though the attendance was not as large as expected those who came had an enjoyable outing. The club found that though wild flowers are not plentiful in the woods at this season of the year, there were many colonies of that odd white plant "Indian Pipe" in full bloom through the woods. At this outing plans were formulated for the club's attendance at the Annual Garden Show in Johnstown on Saturday and Sunday, August 23 and 24. More details of this show will be published later.

St. Francis to Hold Centenary Fete October 4, 5 and 6

Dr. John P. M. Doyle, T. O. R., centennial director for the forthcoming centenary observance of St. Francis College, announced today that October 4, 5 and 6 had been chosen as the dates for the centennial commemoration. Dr. Doyle recently returned from the elections of the Third Order Regular in Rome. Dr. Doyle stated that October 4 would be the opening of the centennial celebration, and that it had been selected because it was the Feast of St. Francis of Assisi.

According to the centennial director, the three-day program has been so arranged as to include a special day for each of the three groups at the Loreto college. The first day of the celebration will be devoted to a general program of thanksgiving while the second and third will feature a civic day and an alumni day for the Seminary alumni. The complete program has not been announced due to arrangements which must be made by the centennial committee.

In conjunction with the last day of the centennial celebration, Fr. Paul Veigle, T. O. R., was named chairman of a special committee of Seminary alumni. Fr. Veigle indicated that the Seminary alumni would assist in making the arrangements for the final day of the centennial.

Announcement of the centennial dates came as over five thousand special announcements were mailed to leading civic and religious figures throughout the world. In the announcement, Fr. Adrian Veigle, T. O. R., president of St. Francis, called upon the people of the world to join the Franciscan Fathers of Loreto in their centennial activities.

Late Tomato Blight Appears in District

What has been feared ever since tomato plants were set out by Northern Cambria gardeners this spring has appeared in several places in neighboring Blair Co. and may soon spread to this county.

Warnings have been issued that constant spraying or dusting is the only remedy for the late tomato blight. Present weather conditions are ideal for this destructive blight, which appears in both tomatoes and potatoes.

ETO Again Open For Enlistments
