stream will be changed to pro-tect the highway. The bridge carrying the traffic over the P. R. R. tracks also will have sidewalks three feet will on both the right and left sides. The bridge will require 411,000 pounds of structural steel and li3,221 pounds of steel bars. Bids for the project were sched-times this year. The first time was Feb. 21, 1947, when Ferguson and Edmonson Company, Pittsburgh, was the low bidder at \$299,779.1, These were rejected as excessive. The same company put in an iden-tical bid on March 28 on the sec-ond letting. The Hazelwood bid of August 22 was accepted.
