HOWDY FOLKS: Here is one of those "He and She" stories. He said: "Darling, am I good enough for you?" She: "No, but you are too good for any other girl."

Mike called to Pat who had fallen into a pit. "Are you killed? If you are, say so!" Pat replied, "No, I'm not killed, but I can't answer you because I'm knocked speechless!"

Then there was the tired host who insisted on accompanying his guest to the door. "Please don't trouble," said his guest. "It is no trouble," said his host. "It's a pleasure."

And you may be sure it's a pleasure to provide service that really cares about the condition of your car. We are always ready to attend you and your car will serve you longer—run better. Drive in today!
