Patton Fire Co. Sets Bazar Date

At the regular meeting of Patton Fire Co. No. 1 Tuesday evening, the date of Nov. 18 was set for the annual bazar held by the firemen. The affair is to start at 7 p. m. In the near future the firemen, as in previous years, will distribute envelopes soliciting your support to make this affair a success. As you the public know, the Patton Fire Co. has no other income other than what money they make through social affairs. This money always is spent for a good cause. Gus Beunier has been named chairman of the committee for the bazar, and at this time, along with the rest of the committee, asks the hearty cooperation of the public in making generous donations to help those who help them. The funds derived from these affairs are used mostly to purchase equipment necessary to help keep the Patton Fire Co. one of the best equipped in the county. Help maintain the Fire Co.—they are always ready to help you.
