**WHO IS LABOR'S FRIEND?**

In 1946, I was endorsed for re-election by the Local Unions of United Mine Workers of America, by the Executive Committee of District 2, U. M. W. of A., the American Federation of Labor, the F. A. C. of the CIO and all the Railroad Brotherhoods.

Every one of these endorsements came to me unsolicited. They were based on my record as your representative which showed that I had been one hundred percent favorable to Labor Legislation. These organizations do not give "official" endorsements to candidates at the Primary election.

In 1946, I was one hundred percent with Labor. What has happened since 1946? Another Session of the Pennsylvania Legislature in 1947. What is my record for the 1947 Session? Fortunately, Organized Labor answers this question.

On Page 21 of the "Final Legislative Report of the Executive Board of the Pennsylvania Federation of Labor" for 1947 you will find my voting record once again re-elected one hundred percent for Labor.

All Labor's friends worked for my election in 1946; all Labor's friends should do so again on the basis of my record—not promises. All who believe in honest and fair legislation for the workingman, and woman, and their children, should vote for me.

I voted against the Local Wage Tax Law. I voted against the law permitting the robbing of a husband's pay envelope to pay his wife's taxes. I favor repeal of these laws.

If you agree with me, then I ask you to
