GOOD CIRCULATION By JAMES KURTZ Spread a lot of sunshine Whenever you may go Leave a little in every spot Leave it there to glow

Spread a lot of friendship For we need it much today Make it strong and faithful As you go your way

Spread a lot of happiness Sow it far and near Make someone more cheerful Scare away their fear

Spread a lot of kindness For it never is too late To help a stumbling brother And time does not wait

Spread a lot of these deeds For as long as you live And you will never be sorry For the joy that you give.

REDDY, AT YOUR FINGERTIPS!

I'll work for you the whole day through
Toast your toast; cook, roast, or stew
Wash your clothes; and press them, too.
I'll beat, I'll clean; make ice for you.
I'll help in factories, stores and schools
And help the youngsters learn the rules
For farmers I've got lots of tricks
Like milking cows or hatching chicks.
And, Boss, I bet you're glad to know
I work long hours for wages low
So call me early; keep me late
In my REDDYBOX home I'll always wait.
