

### '49 Buicks May Be Viewed Next Month

Buick Division of General Motors will begin assembly line production of its 1949 automobiles on November 1st.

This was disclosed last Thursday as a shutdown of the Buick assembly lines and those of the Fisher Body plant No. 1, which supplies Buick bodies, was announced.

Buick closed its final lines yesterday, which will resume work on Nov. 1. Fisher's assembly lines closed on Tuesday of this week, and will open on Oct. 25. The Buick shutdown will affect about 8,000 workers for varying periods, some as little as a day or two. Fisher's shutdown will idle about 4,500 workers, also for varying periods.

AC Spark Plug Division of General Motors also announced an inventory shutdown from last Saturday night until Oct. 25. Approximately 6,000 production workers will be affected.

Trade circles gossip has it the new Buick cars will be introduced around Thanksgiving Day.

#### CLEAN UP GARDEN

A fall clean up of vegetable tops, weeds and other litter in the garden will reduce the disease problem on next year's crop say Penn State plant pathologists. It is the easiest and cheapest form of plant disease control.

PROTECT YOUR **PONTIAC** WITH PONTIAC SERVICE.

**The best costs no more!**

Thousands of Pontiac owners all over the country have learned that regular servicing by their Pontiac dealer is the best, most economical way to keep their cars in top condition.

Our service is best for your car because our mechanics have been trained by factory experts and because we use factory-engineered parts and specially selected tools—everything geared to the one job of keeping your Pontiac at its very best.

The result is that your work is done faster—in such a sure-handed manner that it will "stay done". The cost of our expert work is no higher—in fact, is often less—than you would pay for ordinary servicing.

Our policy is very simple: We do only the work called for—we do it in an expert manner, we save you money by eliminating guesswork and makeshifts.

Give your Pontiac the best—have it serviced by your Pontiac dealer—for the best costs no more!

THE BEST PARTS ARE FACTORY-ENGINEERED PARTS!  
Pontiac Factory-Engineered Parts are exactly the same as those built into your Pontiac at the factory. They always fit properly—they always perform properly and—like the best in servicing—they cost no more!
