

# Some Income Tax Deadlines Here Saturday of This Week

## Includes Those Who Have No Withholdings

Jan. 15 is a deadline for several million people who must pay their "estimated" income tax for 1948. They're the ones who haven't had the full tax or any tax, withheld from their 1948 wages or income.

In 1948 most people's income was from wages. And most of them had full 1948 income tax withheld from them.

If you're in that group, don't worry about Jan. 15. You'll make your final return by Mar. 15.

But Jan. 15 is the deadline—if it means you—for filing, changing and paying your declaration of estimated tax for 1948.

Here are the people in that group:

1. Those from whose 1948 income no tax was withheld, such as doctors, landlords, servants, farm hands, some farmers and so on.

Last Mar. 15, knowing no tax was to be withheld from their 1948 income, they should have estimated their 1948 income and the tax on it.

And, beginning last Mar. 15, they started paying the tax in quarterly installments. Their last quarterly payment is due Jan. 15, but not all the tax due, withheld from their wages. They should have been paying starting last Mar. 15, the difference between

the tax withheld and the full tax due. The final or last quarterly payment, is due Jan. 15.

3. Those who had some tax withheld from their 1948 wages but received more than \$100 in outside income from which no tax was withheld. Such outside income for a wage earner, for instance, would be rents, sales, dividends. Jan. 15 is a deadline for them, too.

Some farmers—the law allows this—didn't make any tax payments at all in 1948 on 1948 income because they were uncertain about what that income would be. In their case they were to estimate the tax due on their 1948 income and pay it by Mar. 15.

People in all four groups can make their return by Jan. 15 on Form 1040-ES or Form 1040. If they stand as your final return on 1948 income, it's easier for you. It will mean more work for you if you use Form 1040-ES. This is why: On Mar. 15 you'll have to file your final return on Form 1040 anyway, even though you filed a return Jan. 15 on Form 1040-ES.

(The people not in the four groups above will have to file their final return by Mar. 15.)

But some of the people in the four groups, for one reason or another, may find it best for them to file their return on Form 1040-ES by Jan. 15 and then make their final return on Form 1040 by Mar. 15.

For example: They got a raise during the year and will not know precisely by Jan. 15—because the boss didn't give them a receipt showing the facts—what their total income was and how much tax was withheld from them.

Here's something else to remember: Some people who have been making quarterly payments on their 1948 estimated tax, find now they've underestimated that tax.

If they're underestimated by more than 20 percent, they should make the correction and pay in full by Jan. 15, otherwise there's a penalty.

Remember this, too: Some people started making quarterly payments last Mar. 15. Then in the recent reshuffling of Bituminous Districts in the state, his district will comprise the area from Johnstown to Vintondale, including Nanty Glo, and extending west to the Indians and Westmoreland Co. lines. His headquarters will be in Johnstown.

If they file their final return by Jan. 15 on Form 1040, they'll get their refund from the government faster than if they waited until Mar. 15, when the government is swamped with returns.

**St. Benedict Inspector Named to 28th District**

Clarence L. May of St. Benedict, a recently-appointed state mine inspector, has been named in charge of the 28th District in the recent reshuffling of Bituminous Districts in the state. His district will comprise the area from Johnstown to Vintondale, including Nanty Glo, and extending west to the Indians and Westmoreland Co. lines. His headquarters will be in Johnstown.

If you want to kill time, why not try working it to death?

On party-line telephones, courtiers pay dividends! Be brief... Space calls... Hang up gently... Take the lead in good party-line manners. It will mean better service for all.

# Swank No. 13 Mine In Dean Twp. Cited For Safe Conditions

## Recommendations Also Made In New Report

A Federal coal mine inspector recommended a few additional safeguards to supplement many generally satisfactory safety conditions observed at the 190-a-ton-a-day Swank No. 13 mine, in Dean Twp., Cambria County, according to a reinspection report made public on Tuesday of last week by the Bureau of Mines.

Operated by Hiram Swank's Sons, the mine employed 40 men when it was examined in November by Inspector S. A. Andrejko Jr.

At the time of the inspection the blasting cables were short-circuited when not in use, respirators were worn by workmen while drilling rock with percussion drills, and systematic timbering rules were complied with excepting two places where the setting of safety posts close to the faces was suggested, Andrejko reported. He added that the undercut coal should be spragged in places where face workers are exposed to injury from falling coal.

To minimize ignition dangers, the inspector said smoking should not be practiced in the mine and only permissible electric cap lamps should be used for portable illumination underground.

Recommending the firing of all blasting shots or series of shots immediately after borholes are charged on shift, and shunting of detonator leg wires until needed for blasting, Andrejko also advocated offsetting the main ventilating fan and providing the pressure-relief facilities, posting of abandoned workings, making of preshift mine examinations, rock-dusting dry places adequately, surface-and-ground telephone service, guarding of trammings gears on a cutting machine, and wearing of safety footwear by men exposed to falling objects hazardous work.

# Barnesboro Fire Co. 1948 Committees Named By Clarke

Officers of the Barnesboro Fire Company were installed and the committees appointed at a meeting Tuesday of last week at the fire hall in Barnesboro.

Former fire chief Dean Whited, who resigned his position after serving 25 years, was honored by pen and pencil set.

In his report for 1948, Mr. Whited said the fire company answered 21 alarms within the borough and 13 calls to outlying districts. Fire loss was cut from \$108,660 in 1947 to only \$545 in 1948, according to the report. The bulk of the 1947 loss resulted in a fire of the Leadbetter Building.

The following committees were appointed by President J. Henry Clarke:

Ways and means—Harry M. Altman, chairman; M. F. Tibbott, C. F. Brancato, R. F. McAnulty, Frank Bonnano Jr., Emory Lowman and J. S. Ulrich; investigation and election—F. J. Waters, chairman; Huey Fyock, Howard Heuther Jr., A. Mondl, Peter Brancato, Gerald Brown and L. Lowman.

Laws and legislative—R. H. Steele, chairman; Guy McCardell and Sid Bichman; auditing—J. M. Davis, chairman; W. C. Wetzel and R. W. Scollon; uniform—J. H. Waters, chairman; Ray Whited and N. P. Crago.

Police—G. E. Whited, captain; Frank Bonnano Jr., M. Sheredy, John R. Musser, Howard Heuther Sr., Robert Magee, Willis Davis, Huey Fyock, Al Lowman, Emory Lowman, Earl Goldian, Joseph Bennett, Peter Brancato, Frank Marino and J. D. Whited.

# Carrolltown Men View New Chevrolet

W. G. Thomas, Carrolltown Chevrolet dealer, and Fred M. Farabaugh, also of Main Street Garage, Carrolltown, attended a special preview program featuring the new 1949 Chevrolet in Washington, D. C., on Tuesday of this week.

The two men are meeting with approximately 800 other Chevrolet dealers and representatives from throughout the East. The 1949 Chevrolet will be shown publicly in Carrolltown for the first time on Jan. 22 at Main Street Garage.

In Washington, dealers were shown the 1949 model at a meeting in Lisner Auditorium, and later attended an Eastern Region session in the Mayflower Hotel. A fleet operators luncheon also was attended.

At night, a reception and banquet were held for newspapermen and radio station managers of the East. A special press preview of the new 1949 Chevrolet also was a banquet feature.

# Co. Commissioners Propose Legislation

The County Commissioners of Cambria County attended a meeting in Altoona, last Wednesday, for the purpose of discussing proposed child welfare legislation which is to be introduced at the next session of the State Legislature.

The meeting was called by Mr. Norman A. Piel, legislation chairman of the State Association of County Commissioners. Principal item of discussion was a bill to be introduced by Public Charities Assn. of Pennsylvania.

The bill apparently would make it mandatory for every county to provide some form of child welfare service. At present Cambria County is one of 17 in this state which provide the service.

# Keystone Farmer Degrees Awarded

## put on a short play.

William Baker, son of Mr. and Mrs. A. X. Baker of Patton R. D. has been awarded the Keystone Degree because of his outstanding project program in vocational agriculture and other activities in and out of school.

His project program for 1945-46 was a brood sow project. This project netted him a pupil's labor of approximately \$75.00.

In 1946-47 his project program consisted of a brood sow and a baby beef with a labor income of \$110.50.

He was secretary of the local F. F. A. Chapter and acted as toastmaster at the Father and Son banquet held by the Patton Chapter.

During 1947-48 he had as projects two brood sows and litters and an onion project. His labor income was \$305.00.

He was vice-president of the local F. F. A. Chapter his senior year. He also received the County Farmer Degree, won fourth place in Dairy judging at the Cambria-Indiana Bi-County judging contest and placed sixth in Livestock Judging at Cambria County Fair as a team member of three.

At the present time Bill has a brood sow as his own project and assists his father in their many general farming operations.

In 1948-49 he was awarded the Keystone Farmer Degree which he will receive at the Farm Show this week.

He participated in the Senior Day program when the F. F. A. gave a short play; he also spoke at the local Garden Club where he gave a summary of F. F. A. activities of the local chapter.

Bill also gave a commencement speech concerning vocational agriculture's place in the high school.

These two boys had W. W. Schrock as their County Advisor. Edward Davis of Ebensburg-Cambria High School will also receive the Keystone Farmer Degree. Edward is under the supervision of Oscar Sherman.

Paul Cretin of Patton High School, because he is a gold medal winner, will receive 100 baby chicks at the Farm Show from Hubbard's Hatchery.

**Use lots of Coffee?**

Buy A&P Coffee in the 3-lb. Family-Size Bag

**SAVE UP TO 45¢**

Compared with the Price of Three Single Pounds of Comparable Quality Coffee

A&P Coffee is America's No. 1 buy. And in this thrifty 3-lb. bag it's an even greater value. Just think! . . . It offers you savings of as much as 45¢ compared with the price of 3 single pounds of comparable quality coffee! And, of course, A&P Coffee always offers you fresh, rich flavor because it's sold in the whole bean and Custom Ground when you buy, just right for best results in your coffeemaker. That flavor makes it America's No. 1 favorite. Once you taste it, you'll want to enjoy this delicious coffee often. So buy your favorite A&P blend in the money-saving 3-lb. family size bag!

**SUPER-RIGHT MEATS**

When you buy "Super-Right" meats you get the good eating that means good value, because every cut is specially selected for fine quality. You get more of it for your money, too—thanks to A&P's "Rose-Trimmed" meat-cutting method which removes excess waste from your purchases before it's weighed. Yet prices are always as low as we can make them.
