Church World Relief Sunday Mar. 27 to Be First of Kind

Radio Program Will Culminate United Drive

Over 76,000 churches representing every major Christian denomination and communion, have united to take one simultaneous offering for world relief at church services on Sunday, Mar. 27, according to a joint statement issued from New York City on Friday, Feb. 25, by Bishop John S. Stumm, president Federal Council of Churches of Christ in America; Mrs. Harper Sibley, president United Council of Church Women; Mrs. Fred W. Ramsey, executive vice president, Church World Service, and Dr. Winn Fairfield, the Secretary Council chairman of the Foreign Missions Conference of North America.

Wholehearted, nationwide support for this history making effort was urged in the statement, quoted in full as follows:

"Never before in the history of the world have the churches of Europe and Asia been faced with greater problems and responsibilities. The fate of our civilization may lie in the ability of the churches, and especially the churches overseas, to meet their responsibilities in carrying forth the Christian ministry. That is why this nation-wide united effort

by America's Christians has an importance far beyond the practical goal of fund raising. For this great joint program will not only strengthen the vitally important relief and rehabilitation work of the churches overseas, but will also prove to all the world just how great is the power generated when Christians unite in such a great common cause."

Among the major denominations and communions participating in this one great offering on Sunday, Mar. 27, are: Northern Baptist and Southern Baptist Conventions, Church of the Brethren, Evangelical United Brethren, Evangelical and Reformed Church, National Lutheran Council, Methodist Church, Roman Catholic Church, United Presbyterian Church, Presbyterian Church in the U. S. A., Reformed Church in America, Protestant Episcopal Church, Russian Orthodox Church of North America, Romanian Orthodox Episcopate of America, and the Serbian Eastern Orthodox Church.

This inter-denomination promotion will culminate Saturday evening, Mar. 26, with a nationwide radio program, "One Great Hour, which will be broadcast by the contribution of the full networks of CBS, ABC and MBS from 10 to 11 p. m. The program will dramatize the need of people in Asia and Europe for food, medicine and clothing and, even more important, their great hunger for the Christian faith and strength that will help them to rebuild their war torn world.

Whereas the churches of America have united in one simultaneous offering for world relief on Sunday morning, Mar. 27, 1949, and

Whereas, every American has an inescapable obligation to aid in relief and rehabilitation of all less fortunate people; and

Whereas this united action in America will greatly strengthen the ministry of our churches over-

seas and will bring new hope to millions of people:

Now, Therefore, I, Robert Forsythe, Burgess of Patton, do hereby designate Sunday, Mar. 27, as World Relief Sunday; and I invite all Americans to participate in the observance of this day through their churches or any church.

In Witness Whereof, I have hereunto set my hand and caused the seal of the Borough of Patton to be affixed.

Done at Patton, Pa., this 16th day of March, in the year of our Lord nineteen hundred and forty nine.
