Notices

**NOTICE** NOTICE OF INTENT to adopt Two Resolutions imposing a tax by the School District of the Borough of Patton, Cambria County, Pennsylvania.

Notice is hereby given that the School District of the Borough of Patton, Cambria County, Pennsylvania, acting through its Board of Directors, intends to adopt a resolution at a special meeting of the said School Board to be held on June 24, 1949, at 6:30 P. M. (Daylight Saving Time) at the office of the School Board in the High School Building, Patton, Pennsylvania, by the terms whereof it will levy, assess and impose the following taxes for general revenue purposes to become effective on and after the 25th day of July, 1949, and to continue in effect until the first Monday of July, 1950, pursuant to the authority contained in the Act of Assembly of the Commonwealth of Pennsylvania as Act No.

Notices

481, approved June 25, 1947, as amended:

(a) The first Resolution, the sum of Ten (\$10.00) Dollars on the first pool table and/or bowling alley in any establishment within the limits of the School District of Patton Borough, and the sum of Five (\$5.00) Dollars on each additional pool table and/or bowling alley in any establishment within the limits of the said School District any time between the 25th day of July, 1949, and the first Monday of July, 1950.

(b) The sum of Twelve (\$12.00) Dollars on each and every coin-operated music box in operation within the limits of the Borough of Patton, Pennsylvania, at any time between the 25th day of July, 1949, and the first Monday of July, 1950.

(c) The sum of five (5%) per centum of the basic charge on each and every admission fee or ticket for any amusement, entertainment, moving picture show, theatrical or operatic performance, concert or musical performance, circus, carnival, athletic event, dance and all other forms of diversion, sport, recreation, or pastime shows, exhibitions, contests, displays, and games or events, where an admission fee, donation, contribution, or monetary charge of any character is required for admission from the general public or a limited or selected number thereof, during the year, from the 25th day of July, 1949, to the first Monday of July, 1950.

The Resolutions will also provide for the appointment of a collector of said tax, penalties for its enforcement and other necessary provisions. It is the judgment of the Board of Directors that the imposition of the proposed taxes is necessitated by the increase of operating expenses of the School District, and the insufficiency of income from existing real estate and personal taxes. It is estimated that the approximate amount of revenue to be derived from the imposition of the proposed taxes is as follows:

The first Resolution to return a tax of approximately Fifty Dollars (\$50.00); the second resolution to return a tax of approximately Two Hundred and Fifty Dollars (\$250.00) from (a), Two Hundred and Fifty Dollars (\$250.00) from (b), and Thirty-four Hundred and Fifty Dollars (\$3450.00) from (c).

Any interested party may examine a copy of the Resolutions at the office of the School Board in the High School Building, Patton, Pennsylvania.
