Red roses stand for love, That's honest, sincere and true. That's why, my little dove, I'm sending this bouquet to you.

—"Jo"

EVENING By JAMES KURTZ When shades of evening steal across the land It seems like Jesus takes our hand

And leads us home where we find rest After a day of toil and test

And then when night comes upon us still There are no fears for His closeness we feel

Because Jesus took us by the hand When evening shadows fell across the land.

HAVE MORE - SAVE MORE with a modern electric HOME FREEZER

In season and out of season . . . serve your family foods that are garden fresh and filled with vitamins. And, save from 3% to 5% on your food bill.

Serve fruits, vegetables and berries the year around. Frozen and stored when at their best, you'll find they are firm, bright in color and chock-full of flavor when put on the table months later.

Protect yourself from sharp seasonal price increases. Buy eggs, meats and produce when prices are low. Your home freezer will keep them safely until they are needed.

Meats, fruits, garden vegetables, fish and game are all easily prepared for storage in the home freezer. They will be completely safe from spoilage and will retain their flavor and health-giving vitamins for a long period of time.

Begin to enjoy the conveniences and advantages of having an electric home freezer. Get acquainted with the "grand and glorious feeling" that comes of always having a good supply of foods on hand for regular use, for unexpected guests, for emergency use when stores are closed. Install a home freezer now while this season's harvests are available.

Start now to have more—to save more. Visit your electric appliance dealer. PENNSYLVANIA ELECTRIC COMPANY A. P. ISENBERG, District Manager
