

Pat McLaughlin, In Visit to Japan, Real Home Reunion

Meets Several of the Pattonites He Knows

Lt. Pat McLaughlin, son of Mr. and Mrs. William McLaughlin, of Patton, who is stationed with the U. S. Army Air Forces on the Philippine Islands, in a letter to his parents, tells of a trip to Tokyo, Japan, that turned out to be a veritable "Patton reunion."

... with him in the Philippines. Pleasant surprises came to him in Japan, due, he says, to his folks sending him the Press-Courier, in which he had noted comment on a fire in the Nurses' quarters at Tokyo General Hospital in which Ella Marie Gill was living—so he called her up and they had lunch together. She had returned to duty, but Lt. McLaughlin then contacted two other Patton names she gave him, the one Nurse Major Maykovich (Butt) who is with the G-2 Intelligence Section, and the other Miss Bertha Biler, who is employed as a civil service worker in the same building.

Cause of Mine Disease Aired

John Harmon of Pittsburgh, an official of the U. S. Bureau of Mines, stated last Friday night that contrary to popular belief, silicosis—an occupational disease of the coal mining industry—is not caused by large particles of dust.

Mr. Harmon made this statement at a meeting of the Ebensburg Council of the Joseph A. Holmes Safety Association in the Ebensburg Courthouse.

St. Benedict Presbyterian Church Plummer Harvey, STM, Minister. Sunday, Mar. 19—9:45 a. m. Worship Service, A Lenten Meditation, 10:45 a. m. Sunday School, James H. Stratton, superintendent.
