a bricklayer. He helped construct the Prindible mansion and other buildings in the area. He has assisted in and supervised the building of all the rick and tile kilns at the Patton Clay Works and is engaged in that work at present, as well as in general re-pair and maintenance employment. There are 36 kilns at the local clay plant.

However, there was one inter-mission in Mr. Stevens' Patton residence, and that was at the turn of the present century when he returned to Italy and was united in marriage to the former Miss Esther Raneri at the home town of both of them, Castel-del-Sangro, near Rome. They remained there for two years and then Mr. Stevens came back to Patton with his bride. Mrs. Stevens and a son returned to Italy for a visit of six months about 25 years ago.

The Stevens' have a daughter, Inez, wife of Chief-of-Police Edward Donahue, and a son, Louis, both residing in Patton. They are members of St. Mary's Catholic Church.
