The Philadelphian will round out his campaign "quickie" with a buffet supper in the evening at the Young Men's Democratic Club in Johnstown.

Mr. Dilworth will spend about 2 1/2 hours—from 10:30 a. m. to 1 p. m. in Armstrong County. He then will visit from 2 to 4 p. m. in Indiana County before moving in to Cambria County.

Accompanying the gubernatorial candidate will be his wife and Rep. Lewis Evans of Colver, endorsed candidate for the Democratic nomination for Congress in this the 26th District.

Democratic candidates for Assembly from Armstrong and Indiana Counties also will accompany him in the swing through their respective counties.

The buffet supper in Johnstown this Saturday will be used as an occasion for the Democrats to raise campaign funds. The price per plate at the supper will be \$10.

Ebensburg R. D. Youth Sentenced

Charged With Theft Of Auto, Burglary

An Ebensburg R. D. young man was sentenced to six months to three years in the Cambria County Jail this week when he pleaded guilty to charges of burglary and larceny of a motor vehicle.

Fred Holt, 20, admitted taking part in the Feb. 21 burglary of a Roxbury hardware and the theft of an auto on Apr. 3.

The vehicle was stolen from a street in Ebensburg and then driven to a swampy area near the county seat. When the car became embedded in the swamp, Holt and a juvenile companion attempted to free it with a tractor. They damaged it to the extent of about \$1,000 in trying to move it. The two then stole items from the car valued at about \$275 and left it when their efforts to get it started again failed.

Holt was ordered to make restitution and to pay the costs of prosecution along with the jail sentence. The juvenile is being held for further court action.

3 Kiwanis Groups To Meet Tonight At Central Hotel

North Cambria Club To Plant 1,000 Trees

Clymer and Ebensburg Kiwanis Clubs will be guests at the regular meeting of the Northern Cambria Kiwanis Club in the Central Hotel, Carrolltown, tonight, Apr. 27 at 6 p. m. The Clymer Club will furnish the program of this inter-club session.

At last week's meeting two interesting sound pictures were shown by President Clotus Lehmer, who was in charge of the program. Various other items of business were also discussed.

It was announced by Dr. Fred Arble that 1,000 trees have arrived and are ready for planting. The trees will be planted on the Mother's Memorial Park at St. Benedict. Volunteers from the club are requested to give their services in this connection.

Clair Gill, chairman of the program committee, announces interesting events for May. The Club will return to the Commercial Hotel, Patton, for its May meetings.

The applicant for membership of Robert Coffman, manager of the McCrory Store in Patton, was favorably acted upon by the Board of Directors. Mr. Coffman will be publicly inducted as a new member in the near future.

Holtz Saddles

(Continued from Page 1)

mainly his own etching tools, made from stove bolts, and taps the designs into the cowhide with a mallet. The leather is then given a two-tone effect by means of dyes and fixers.

Then comes the second phase—the making of the silver trimmings. This, too, is a job done in its entirety by the Carrolltown man. He buys the silver in

20 and 24 gauge unpolished sheets measuring roughly 6x6 inches and costing upwards of \$7 each. The precious sheets then are cut into various shapes by using a variety of home-made dies, and polished.

Next is the painstaking job of hand-engraving the designs—and although he has never seen any one else engrave, he is an expert at it, mounting the stampings on a special swivel-type vise and routing them out by hand.

Screw-type rivets then are soldered on the stampings, and the

latter fixed in position on the saddle and trappings, and the whole works is backed with a lighter cowhide in order to make the equipment both smooth inside and easier to keep clean. The backing is both sewn and glued on for strength.

All the shiny parts on the outfit pictured are of Sterling silver. This includes the entire top of the saddle near the horn and the rear of the seat. These were pounded out to exact fit by Mr. Holtz and are fastened in the

same manner as the smaller silver stampings, of which there are 450 on this one ensemble.

Mr. Holtz hopes to sell some of his saddles, and recently set up a firm known as the Holtz Saddle Co., with Mr. Holtz doing all the work with the exception of one of his boys assisting him with the soldering operations.

Few persons hitherto have associated the hobbyist with saddle-making despite the fact that he has had several horses for a number of years. In public life he

is better known as an automobile salesman for Westrick Motor Co. and as a member of Carrolltown Boro Council.
