At Harrisburg, he has always commanded attention of his colleagues. He has been for some years the minority whip of the Senate...

TO REPUBLICAN VOTERS

Due to the time element it has been physically impossible for me to contact many of the people of Northern Cambria County, and I now take this means in appealing for the vote of independent-thinking Republicans.

I have served as burgess, school director and justice of the peace for a period of 20 years. I am the father of six children.

I have come in contact with the many problems of the working men. I understand them and have a sympathetic understanding of their problems. Communism will overtake us unless each citizen assumes a personal responsibility to combat that philosophy.
