RUPTURE SHIELD EXPERT HERE
H. M. SHEVANN, widely known expert of Chicago, will personally be at the Penn Alto Hotel, Altoona, Sunday and Monday, July 2 and 3.
Mr. Shevann says: The Zotic Shield is a tremendous improvement over all former methods, effecting immediate results. It will hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts and thereby close the opening in ten days on the average. No need of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicine or medical treatments.
Mr. Shevann will be glad to demonstrate without charge.
