

Spangler Football, Baseball Champs Feted At Banquet

August (Gus) Donatelli, Ebensburg, National Baseball League umpire, a native of Bakerton and a graduate of Spangler High School, and Victor Fusia, head football coach at Indiana High School, were the principal speakers at a banquet last evening honoring Spangler High School's championship football and baseball teams. The event was held in the Spangler Veterans of Foreign Wars home.

The 1960 gridiron Wildcats under Coach Ted Keenan won 10 straight games to go undefeated and capture the Class B title of

the PIAA Western Conference. Vic Fusia's Indiana High Indians won the Class A division of the same conference.

Spangler High's baseball team last Spring won the Northern Cambria League title and paced second place in District 6 of the PIAA. Coach Paul Artley's batsmen lost a close 3-2 decision to Centre Hall last June in the District 6 playoff game in Hastings.

The members of the basketball team, marching band and cheerleaders, plus the principals, coaches and directors, were guests at last evening's affair.

The banquet was sponsored by the Lynn Wetherston Post 569 Spangler American Legion, the McDonald Post 7503, Spangler VFW, and the Spangler High School Alumni Association. The Women's Auxiliary to the Spangler VFW served the banquet.

General chairman of a commit-

tee in charge of arrangements for the event was Mrs. Louise Williams, secretary of the alumni association.

St. Francis Comes From Behind to Take Opener, 73-65

St. Francis College of Loretto came through, as a good team should, Tuesday night, when they defeated a powerful VPI team, 73-65, in a final round sport.

Coach Skip Hughes' veteran quintette shook-off their opening-game jitters to check the Virginians before a small crowd of 769 fans in the Cambria County War Memorial in Johnstown.

The Red Flash made only one of their first 17 field-goal attempts as Tech got off to an early lead. Despite their futile effort, they finished with a commendable 30-of-94 score and VPI clicked on 27 of 72 tries. Both teams had 19 foul shots. St. Francis making 13 and VPI 11.

The Red Flash over came the 31-29 halftime lead of VPI's after Wanish sank a foul and drove to a goal early in the third period.

In the final round, after the score was tied, 55-55, 61-61 and 65-65, when Sharick, Bodnar and O'Brien counted in the final seconds of the game to let VPI breatheless.

Control of VPI was high scorer with 22 points and Bill Wanish of SFC was second with 21 markers.

In the preliminary, the Red Flash Freshmen defeated Johnstown Pitt Center, 61-56, coming from behind with an 18-12 rally in the closing period. The summary:

St. Francis—Bodnar, f. 3; Sharick, f. 13; Bodnar, f. 2; Wanish, f. 4; Palton, f. 5; Wanish, f. 2; Hiebs, f. 8; Palton, f. 3; O'Brien, f. 2.

Assaulters Draw 60-Day Jail Terms

William Sirko of Imier, R. D., Somerset County, one of a group of hunters who attacked two game wardens, was given an additional 60-day jail sentence on an aggravated assault and battery charge Monday.

The Cambria County Court in Ebensburg, Pa. already is serving 106-day sentence for interfering with an officer.

Deputy Game Protectors William Stevens of Beaverdale and Thomas Foust of Salix said they were attacked when they attempted to arrest Michael Sirko, brother of William. They charged William with killing a male deer out of season in Summerhill Twp.

William is serving a 216-day sentence for interfering with the officers and for having the illegally killed deer in his possession. Assault and battery charges against him have been disposed of. Authorities still are on the lookout for two other men who reportedly participated in the attack.

Ford, Chevrolet Boost Car Prices

General Motors boosted prices on its 1961 model passenger cars for two other men who, reportedly participated in the attack.

Ford Motor Company followed suit less than eight hours later.

Prices of GM cars were upped "something less than five percent," while Ford's new figures ranged from \$45 to \$90 higher on its light models to a \$145 increase on its luxury Lincoln Cosmopolitan convertible.

Both firms cited higher costs of supplies, materials and labor as reasons for breaking their recent "hold-the-line" price policy.

Flat five-percent boosts would add \$66.55 to the advertised delivery price of General Motors' cheapest car, a \$1,329 Chevrolet business coupe, and \$247.95 to the most expensive, a seven-passenger Cadillac Imperial.

Christmas Lighting Now Appearing in District

Patton, Barnesboro and other North Cambria towns are beginning to take on a "Christmas look."

Patton Fire Co. members Sunday began work of stringing the Christmas lights along Patton's main downtown streets, and at about the same time the star-shaped wreaths of lights were placed on Barnesboro streets.

Carrolltown's decorations will be put up soon, as will those in Hastings and other towns. Most towns are planning for community Christmas trees.

Gallitzin High Tips BCI Cagers, 46-31

Coach Guy Monick's Gallitzin High Gremlins opened their 1960-61 basketball season Tuesday evening with a lopsided 46-31 win over visiting Beccaria-Coalport-Irvona High. The winners carried every period and never were behind.

GHS got off to a 10-6 lead in the opening period and boosted their margin to 19-14 at the half. After a slim 8-7 edge in the third frame, Gallitzin pulled the curtain down by grabbing the final round 19-10.

Ron Muffy was high scorer for the winners with 13 points followed by Leon Madie with 12. Mazenko was high for BCI with 8 markers. The summary:
