Charley Caldwell Picked As 'Coach of the Year'

Charley Caldwell's honor cup runs over last week.

On the heels of receiving the Lambert Trophy for his Princeton football team, he was voted the best in the East and then last Thursday was named 'coach of the year' in a nation-wide poll by Scripps-Howard newspapers.

Caldwell, whose single wing legions swept through the season without a defeat to the Ivy League championship, was first place choice of 111 coaches.

North Cambria Game Fed Sunday By Air Operation

Plans to air-feed game, including the dropping of 130 bushels of corn and some salt on Sunday, were completed at a meeting of the Cambria County Federation of Sportsmen's Clubs at Ebensburg last Wednesday.

Jack DeLong, game warden, told the group that present weather will kill more game than an entire hunting season unless sportsmen come to aid of wild life. It was pointed out by Dr. Robert E. Koehler, president of the county unit, that the heavy coating of ice on snow in mountainous areas prevents animals from securing food.

Other spokesmen noted that the wild turkey population which has been on the increase in danger of being wiped out. It was claimed that deer are competing with turkey for the food that is available.

Dr. Koehler called upon active sportsmen organizations in this county for help. He said the federation needs corn on the cob and salt. Game wardens and others were asked to instruct the federation on exact locations of turkey flocks and other groups of animals.

The feed dropped Sunday was placed in the Flinton, Fallentimber, St. Lawrence and Ogletown areas, and also in the Gallitzin mountain region.

Robinson Wins Award

Surprising many, the New York Boxing Writers' Association last Tuesday picked Sugar Ray Robinson as the man who had contributed most to the sport during 1950.

The writers' annual meeting voted to the welterweight champion the Edward J. Neil Memorial Plaque, the fight game's most coveted trophy.

Bowling League Gets Flying Start At Carrolltown

Much interest is being shown in the newly-formed Carrolltown Bowling League, which got off to a flying start the early part of last month.

Lieb's Hardware and Shero's Tavern teams were in first place at the close of the week ending last Thursday. After this week's scheduled games are rolled, no more scheduled ones are slated until after Christmas.

Lieb's team is high for a three-game match with 742 pins, and the highest individual score for one frame in any week is held by Alfred Lieb—with 206.

Flash Cage Squad Off for Holidays

Following the holiday vacation, the Red Flash cage squad of St. Francis College, will battle the Creighton University five at the Cambria County War Memorial in Johnstown on Jan. 2, and then go to New York to meet St. Francis of Brooklyn in the first contest of the newly formed Eastern Catholic Intercollegiate Athletic Conference.

The Loretomen were previously scheduled to open the Conference against Seton Hall University, but due to inclement weather conditions, the game was postponed. The game with Alliance College also was cancelled for the same reason. Attempts are being made for the rescheduling of both contests.

Dolores Burkey Good Predictor

Last Wednesday evening the Spades took all four points from the Diamonds in the Patton Ladies Bowling League.

Dolores Burkey of the Spades told her mates she would bowl 150 at least once. She did, not once, but twice. Her other score was 130.

Last Friday night the Clubs walked away with all four points in a game with the Hearts. Mabel Smith of the winners, has been rolling with a bang. Last Friday she hit a high of 165.

Dolores Burkey will need more determination to top that Friday night's score of 165. Wish you lots of luck.

Down the Alley

(By R. D. BEUNIER)

Greetings folks, greetings. This is your reporter reporting on the week's activities of the Patton Fraternal Bowling League.

Monday evening saw the Legion and Vets fight it out on friendly terms. Why not, they're both ex-service men's teams.

Before going into any details on last week's bowling I must tell you this one. When I called for the score sheets the boys were not quite through, so I sat and watched them bowl. As I sat there I saw something running down one of the alleys, so I inquired as to what the h--- that thing was. Toy turned and said it was one of the Cooties, believe it or not. This Cootie was 'wait a minute, freshly, I didn't say cutie, I said Cootie) 5 feet 8, 9 or 10 inches tall and weighed about 170. Now wouldn't that be something to get in your hair, gee am I glad I am as is. But even at that, when the Eagles bowl the Vets I'm going to wear a bubuska over my head, so I don't have more hair than I have so I'd advise you to get your hair cut as close as you can. If you get a laughing hysterics, have your wife laughing hysterics, look through your hair, and they may find the little devil that's causing the laughing.

STANDING OF CLUBS

Fraternal Order Eagles	27	9
American Legion	27	9
Loyal Order Moose	18	18
Slovak Citizens Club	12	24
Veterans Foreign Wars	8	24

I promised you one on the Eagles this week, so here 'tis. You know the Eagles bowling club is funny. What's funny about it? Why it is made up of bald Eagles, gray Eagles, red beak Eagles, bushy-top Eagles and a couple of other Eagles. That's the funny part about em. Come and see for yourself any night they're on the alleys.

Now for the scores and who done what.

Well they both done it as you see they came out even-steven. The Legion took the first two games by 15 and 21 pins and the Whiz Kids took the third game by 64 pins and held the total pins on 28. P. Hoover of the Vets and Burkey of the Legion shared in 170 each, but Burkey carried off the three games high with 475. P. Hoover led the Vets with a 447 high total and Hetako was on his neck with a 433.

Tuesday night was sort of a bad night for the Slovak Club, losing 3 points to the SOI. The SOI took the first two games by 80 and 90 pins and total pins of 286. The Slovak took the 3rd game with 80 sticks. You remember what I told you about Leon two weeks ago. Well, the rascal went and shaved Tuesday night and look what he went and did, besides shaving. He rolled the evening's high single and high 3-game total of 210 and 549, ain't that something. But mind you Ted was on his tail, as was Kinkead. The latter had a 499 three game total and Ted had a 492, with a 196 high single. Ted had 3 cigars that night, two good and one bad. Oh yes, Sandy tipped me off on his attending a tea party in the early part of the evening and it made him sort of dizzy in his last game, see what I mean, 92 little pins. Sandy this is Patton, not Boston. Also on Tuesday night, when I called for the score sheets there was an enormous crowd at the match. I was forced to stand in the last row, and got the scare of my life. Jimmy disappeared after bending down to make his throw, we heard thump, thump going down the alley and we thought it was Jimmy, the little round baber, rolling down the alley as he would down a pit. After a click of pins, Jimmy popped up at the foul line, and it was really the ball rolling, not Jimmy. We heard, nice going Jimmy.

NEXT WEEK'S GAMES

Dec. 26—Legion vs SOI
Dec. 27—Vets vs Eagles
Dec. 28—Vets vs Eagles

Thursday night the Eagles took the Moose, 3-1, the Moose taking the first game, 64 pins and the FOE taking the last two games, 111 and 59 and total pins of 115.

Paul Hudak of the Moose took high single with 201 and Googs Ender of the same club grabbed the three-game high with 516, followed by Beunier of the FOE with 509 and high single of three games with 188. Weisko scored 483 and Grozack 492. That poor Moose last week had some one dehorn him and then the Eagles clip off part of his tail. But you can't keep him down, for he is still a darn good Moose for the shape he is in.

Saturday evening the Vets and Eagles played off their postponed game. The Vets took the last game by one pin after being forced to break a tie, the FOE coming back to take next two games by 100 and 160 and also total pins of 259. Sutton of the FOE scored high single and high total of 194 and 465. Zungali was top for the Vets with his 148 and 422. I must tell you this one, Hetako's new suspenders broke and he almost lost his pants, ha ha ha.

This being our last issue before the holidays, we will say from all of us to all of you, A very merry Christmas and a happy New Year.

May Santa's packages hold peace, joy and health.
