**Why Bother to Send Your Paper
to Out-of-Town Relatives?**

A number of folks seem to have the mistaken idea that
there is an additional cost for postage on a subscription
to be sent to folks residing outside the Cambria County
area. This is not so. The subscription rate for residents
of Cambria County is \$2.50 per year; for anywhere else
in the world it is \$3.00 per year.

So, why go to the bother of wrapping up the copy you
receive each week, going to the postoffice to mail it, and
paying almost \$3.00 per year postage to send it? It's
much less bother, and costs only a few pennies more,
to let us worry about all the details.

UNION PRESS-COURIER

P.R.—The subscription rate for servicemen who were bona-fide
residents of this county before enlisting is still only \$2.10

**Living Rosary Will Be
Highlight Of Sodality
Reception On Sunday**

This coming Sunday evening,
May 13, reception of new mem-
bers into the Blessed Virgin
Sodality of St. Benedict's Church
will be highlighted by the Living
Rosary.

All members and candidates
will enter the church in process-
ion carrying unlighted candles.
Each Sodality will be attired in
a dark skirt and white blouse,
white veil and a ribbon. Five dif-
ferent colors of ribbon will be us-
ed to denote the degrees of the
Rosary. After each girl finishes
an Ave, her candle will be lighted
by an acolyte.

The Living Rosary will be fol-
lowed by Benediction of the Blessed
Sacrament and a procession
from the church. The congrega-
tion is urged to attend and give
the response to the Rosary.

Store, Main Street, this week,
and is attracting the attention of
residents.

The instructor is Ray Searle.

**Big Colver Mine
Again Producing**

Ebensburg Coal Company's big
mine in Colver swung back into
action on Monday following six
days of idleness.

Employees who staged a walk-
out beginning last Tuesday af-
ternoon, agreed last Thursday to
back-to-the-job movement, ending
the first shift of this work week.

The decision was made at the
second of two special meetings of
Colver Local 800, United Mine
Workers of America.

The walkout was provoked by
an overtime issue among the
UMWA membership.
