

### Make Strawberry Chiffon Dessert Before Fresh Berries Bow Out

The strawberry season is much too short for everyone who likes luscious desserts so you can't serve them too often during their limited engagement at the market. Put your next-pint of the beautiful berries, via gel-cookery, in a Strawberry Chiffon Dessert like the one in the picture. It's made with unflavored gelatine and whipped evaporated milk so it stakes an honest claim for thrifty dessert honors. Only one pint of berries, but it serves 8!

Like all dishes made with unflavored gelatine, Strawberry Chiffon Dessert can be made hours in advance of serving time. If you'd like to serve Strawberry Chiffon Pie, turn the mixture into a baked 10-inch pie shell instead of a mold.

- Strawberry Chiffon Dessert**
- 1 pint strawberries
  - 1 envelope unflavored gelatine
  - 1/2 cup water
  - 3/4 cup sugar
  - 1 teaspoon salt
  - 2 tablespoons lemon juice
  - 1 teaspoon lemon rind
  - 1 tall can icy cold evaporated milk

Crush strawberries with a fork reserving 3 for garnishing. Soften gelatin in water; place over boiling water and stir until gelatine is dissolved. Remove from heat; add sugar and salt and stir until dissolved. Mix in strawberries, lemon juice and rind; chill until the mixture is the consistency of unbeaten egg white. Whip chilled evaporated milk until stiff; beat in gelatine mixture. Turn into 1 1/2 quart mold. Chill until firm. To serve, unmold and garnish with whipped cream and sliced strawberries.

YIELD: 8 servings.

### RED HOT NEWS

NEW 1951 Westinghouse RANGE WITH SENSATIONAL NEW SUPER SPEED COOK UNIT THAT GETS

# RED HOT IN 30 SECONDS

Model 35-74

NEW! The SUPER SPEED COOK Unit is the fastest heating unit on the market today. In fact, it's so fast the unit gets hot the instant you turn on the switch... RED HOT in 30 seconds.

NEW! The new Westinghouse MIRACLE SEALED-OVEN lives up to its name. No more air drafts to dry out cakes and roasts... no more shifting of hot racks. Now, you bake in any rack position and get perfect results every time.

LOOK, SEE, COMPARE! Just close the door of a Westinghouse oven and feel the difference. A Westinghouse door has a solid feel which indicates the quality that is built into EVERY feature of this range. You'll love the versatile Two-Level Speed Cooker, the Color-Glaze Controls... the score of other convenience features that make Westinghouse Ranges well worth waiting for.

YOU CAN BE SURE... IT'S Westinghouse

## \$1,500 Prize Money Listed For First-Aid Meet June 9

### Top Central District Team to Receive \$350

A total of \$1,500 in prize money will be awarded at the big annual first-aid meet of Central Pennsylvania Safety Assn. 16 to be held Saturday, June 9, at Central City.

The top team award will be \$350, or \$50 per man, with second prize being \$175 and third, \$140. In addition, all other squads who take part will receive \$25. The winner in each mine inspection district will be presented a banner.

This was decided at a dinner-meeting of the association Thursday of last week at Wisinger's Inn, Ebensburg.

It was indicated that between 21 and 22 teams will take part in the contest, and will seek to advance to the statewide competition to be held at Ebensburg the last day of Fair Week, Sept. 8. The latter contest will be sponsored by the Pennsylvania State Bituminous Safety Assn.

The central association decided to send 25 percent of its teams—the maximum number allowed—to the state meet. They will be chosen on their showing in the sectional event. An attempt will be made to have each mine inspection district represented.

Dennis J. Keenan, president of the association, announced the appointment of two timekeepers—John Gray of Central City and Arthur Dukes of Cresson.

Two judges will grade the work of each team taking part in the meet. Under the plan, it is unlikely that two or more squads will finish in a tie. Each seven-man group will work four first-aid problems under public scrutiny.

In addition, varied activities for the day have been planned, including events for the children, a baseball game, and a picnic outing.

The association will meet next Thursday at 7:30 p. m. at Ebensburg Courthouse.

## War-Born Crime Tide Said Danger To U. S. Security

### FBI Chief Hoover Quotes Percentages

FBI Director J. Edgar Hoover called on Americans this week to help fight a rising war-born tide of crime which could endanger home-front security.

Criminals have taken advantage of the nation's concentration on defense since the outbreak of the Korean War to step up their illegal activities in all fields, he said in an interview.

He was especially concerned over a continued growth of hijacking. This type of crime, he said, leads to a quick growth of organized gangs and is an "infection which can spread with amazing rapidity" as consumer goods become scarcer.

Since last June, when the Korean conflict began, Hoover said, his bureau has noted these increases in crimes under its jurisdiction:

- Draft law violations, 780 percent;
- illegals wearing uniforms, 42 percent;
- thefts from interstate shipments, 23 percent;
- impersonation of federal officials, 22 percent;
- kidnappings, 15 percent;
- crimes on federal reservations, 10 percent;
- thefts of government property, 7 percent;
- and bank robbery, 2 percent.

## Ex-Serviceman Joins Air Force

### Barnesboro R. D. Man Veteran of Two Years

An ex-serviceman was among six men who were accepted for duty in the air force last Thursday through the Johnstown U. S. Army and Air Force Recruiting Station.

Sgt. Stanley J. Warbul, head of the station, said all restrictions have been lifted on air force enlistments. Young men who can meet the qualifications are being processed and sent immediately to air force bases for preliminary training.

Daniel H. Cressley, 24, of Barnesboro R. D., who previously served nearly two years in the army, enlisted as a private first class in the air force. He first entered the service Feb. 21, 1945, and was discharged Dec. 9, 1945. His tour of duty included 13 months overseas.

Pfc. Cressley is married and the father of one child, 8m of Mr. and Mrs. Henry Cressley of Barnesboro R. D. 2, he was employed as a coal miner before re-enlisting in the armed forces. A brother, Pfc. John Henry, is serving at an air force base in the State of Washington.

## May Crowning Held At Loretto Church

The annual May crowning at St. Michael's Catholic Church in Loretto, was held at 8 p. m., Sunday, May 6.

Miss Mary Frances Rie, daughter of Mr. and Mrs. Francis Rie of Cresson R. D., was May Queen. Her attendants were Miss Madeline Kaegler, daughter of Mr. and Mrs. Herman J. Kaegler of Gallitzin R. D. 1, and Miss Loretta Romough, daughter of Mr. and Mrs. Ed Donough of Gallitzin R. D. 1.

Mark Rie was crown bearer and Judith Rie and Rebecca Hoover carried the May Queen's veil. Many children from St. Michael's Parochial School and members of Our Lady of Loretto Sodality joined in the procession. The May Queen was preceded by eighth-grade girls carrying spring flowers.

Rev. Father Charles B. Diamond, pastor, officiated at the ceremony. Following the crowning vesper were sung by the school children and choir, under the direction of Sister Mary Ricardo. The service closed with Benediction of the Blessed Sacrament. Many parishioners attended the event.

## Past Commanders Feted At Banquet In Gallitzin

A banquet was held for the past commanders of Memorial Post 174, American Legion, Gallitzin, last Sunday evening, in the Oriental Ballroom.

The affair was in charge of Charles Parinich. Officers and delegates will be nominated by the post at a meeting tonight.

## Registration Law Criticism Voiced By Commissioner

### Only 418 Sign Cards In First Two Weeks

Criticism of the registration law being voiced by Pat Farrell, president of the board of county commissioners with disclosure that tabulations of the first two weeks of the special registration drive show only 418 persons have signed cards to vote.

The Democrats gained a slight edge over Republicans with 217 new registrations. The GOP signed up 199 and two registered an non-partisans.

The commissioners' spokesman said that special registration efforts are hampered by law which establishes specific hours during which registrars may sit. "By pinning us down to certain hours of the day, the law wastes the best hours for getting people to the registration centers."

Commissioner Farrell referred to the section of the law which requires that registration centers be open from 10 a. m. to 3 p. m. and 7 p. m. to 10 p. m. Eastern Standard Time. Under DST, this makes the hours 11 a. m. to 4 p. m. and 8 to 11 p. m.

"From 4 in the afternoon to 8 at night no registrations can be accepted at the special centers," Farrell said. "That's the time of day that probably is most convenient for most people." He went on to say that he thinks the total would be higher if registrars could sit at hours more convenient to the public. He said he thinks a change in the registration law in this respect will be made by the Assembly during the current session. Bills are in the hopper which would give commissioners the authority to establish registration hours in their own counties.

Since Apr. 30 the county has had two sets of special registrars sitting in various towns throughout the county. Each pair has averaged 19 new registrations per day.

## Coroner Rules Barnesboro Lady's Death As Suicide

Coroner Joseph Govekar last Friday announced that county authorities have completed their investigation in the death of Mrs. Noble Pennington, 50, of Barnesboro.

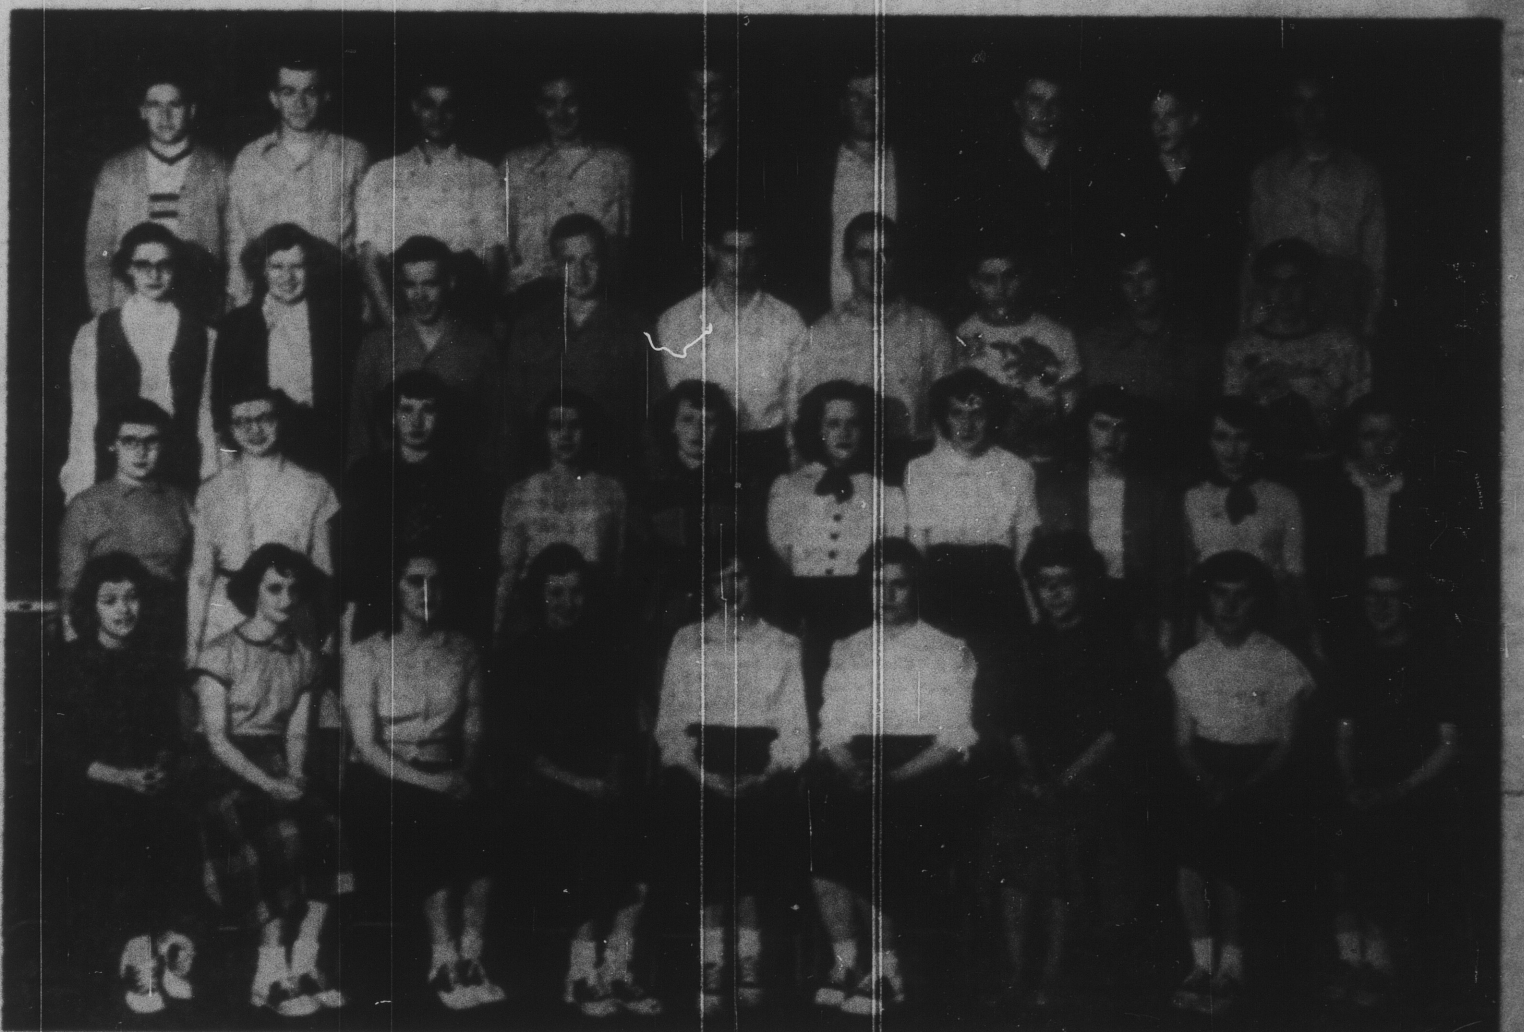

Coroner Govekar said he will list the death as suicide by poison.

The woman was found dead on the night of May 5 at the home of her former husband, Albert Bongiovanni, Barnesboro. An autopsy and analysis of the contents of the woman's stomach revealed the presence of cyanide, the coroner said.

## Spangler High School Class of 77 Seniors to Graduate At Exercises On May 29

First row (left to right)—Leona Gusek, Lois Veerhick, Josephine Onorato, Joanne Smithhiser, Rose Mary Smarsh, Dolores Chabran, Anna Mae Kirsch, Dolores Nealen, Jane Anne Waring, Mary Schwenkel and Alice Sewalsh; second row—Betty Shinko, Mary Jo Kirkpatrick, Evelyn Kizmar, Mae Louise Struck, Marion Stopp, Margaret Mansfield, John Bernard, Paul Stevens, Eleanor Lonnan and Paul Labert; third row—Ruth Johnston, Harry Ashow, Leo O'Connor, Jack Ritz, Francis Frossich, Joseph Byron, Jack Kline, William Neales, Clair Caldwell, Nina Fryer and Marie Hladick; fourth row—Joseph Falger, Felix Pallone, John Peters, Robert Franzese, Richard Thouth, Richard Tarrate, William Hoppel, Joseph Dumbalk, James Gray and Richard Contes.

First row (left to right)—Janet McCombe, Inna Slonny, Virginia Formeck, Janet Caldwell, Judy Dougherty, Dolores Pliska, Joan Kutser, Anna Mae Fryer and Connie Logan; second row—Louise Pfelechl, Jennifer Peles, Marjorie Laddell, Jane Reffner, Mary Jayne Krehel, Shirley Kirsch, Elizabeth Kline, Dolores Latt, Vivian Lindahl and Dolores Farris; third row—Janet Smarsh, Betty Chesion, Donald Veerhick, Thomas Haines, Joseph Sibley, Paul Ashcroft, Thomas Ashcroft, Howard East and Thomas Anderson; fourth row—Stephen Wargo, Daniel Williams, Anthony Radzinski, Barbara Flister, Nello Scheffo, David Kirsch, Stephen Angulick, Edward Entler and James Lokey. Absent when picture was taken—Ann Dabella, Thomas Britton, James McVella, Joseph Frontino, Ronald Farino and Joseph Mcurria. The 77 seniors will receive their diplomas at ceremonies at 8:15 p. m. May 29 in SEN Auditorium.

## Cambria County Farmers Urged To Plant Corn for Defense Effort

More acres of corn and more acre of corn is needed in Cambria County as this county's contribution to the defense effort.

More corn is needed to support an increased livestock population and to prevent reducing reserves of feed grains. In the face of the critical world situation today, it would be dangerous to the well-

fare of the country to have to liquidate livestock herds because of the shortage of feed, but unless feed grain production, particularly corn, is increased, reduction in livestock numbers can be expected.

This, in brief, gives the reason farmers of Cambria County are being urged to plant a few more acres of corn. W. H. Fyock, chairman of the Cambria County Production and Marketing Administration Committee, points out that although an additional acre for each 10 acres planted last year may not seem very much, if all farmers who grew corn last year will do that, this county will not only reach the target set up under production guides but will be asking a very worthwhile contribution to defense efforts. It is the feed from the extra acres, when added to regular production, that will give the nation the feed for our livestock production so essential to the defense effort.

This year, Mr. Fyock says, we cannot expect that corn will be available from other sections of the country. The increased number of livestock with this resulting demand on feed grains, can be expected to pretty well absorb all this corn which may have been available otherwise.

—When you laugh you do much to help lift life's load.

COME and HAVE FUN!
