Why Bother to Send Your Paper to Out-of-Town Relatives? A number of folks seem to have the mistaken idea that there is an additional cost for postage on a subscription to be sent to folks residing outside the Cambria County area.

So, why go to the bother of wrapping up the copy you receive each week, going to the postoffice to mail it, and paying almost \$3.00 per year postage to send it? It's much less bother, and costs only a few pennies more, to let us worry about all the details.
