Democrats Hold Big Lead In Party Registration Totals

Figures Are Released For General Election

A total of 100,460 voters will be eligible to march to the polls in Cambria County for the general election on Tuesday, Niv. 6.

The huge registration figure is 342 less than the all-time record in Cambria County set last year when 100,802 voters were eligible to cast ballots.

Cith	
	Total 100,460

The final pre-election registration figures as announced by the
county election board Wednesday
afternoon shows that 54,328 persons are registered as Democrats
and 45,898 as Republicans.

Besides those in the two major
parties, there are about 236
others registered in minor parties
or as non-partisans.

The totals reflect the drives put
on by both parties during the special field registrations held recently.

cently.

The Republicans picked up a total of 1,990 new voters since the lists were purged before the primaries last spring, while the Democrats signed a total of 1,765 new voters a difference of 225.

Over the past year the Democrata have maintained their substantial majority in this county, although it has decreased by a small margin since November of 1856.

A. O. Sommerville, Veteran Coal Man, Dies Early Sunday

Alan O. Sommerville, one of the best known residents of Pat-ton and of Northern Cambria, passed away at his home here on Sunday morning at 12:30. He was 82 years of age and had been in failing health for some time.

A. O. Sommerville was associated with the Flanagan Coal Co. as a partner at the time of his demise. For more than 35 years he was prominently identified with the coal industry in Patton. Arcadia and Windburn, serving as superintendent of operations at mines of the Pennsylvania Coal & Coke Corp. He retired from the superintendencies in 1930. He also was affiliated with the Pennsylvania Bituminous Coal Operators' Assn., Altoons, and was active in community affairs in Patton.

A member of Patton Presbyterian Church, he was ordained and installed an elder April 23, 1916. Elected clerk of the session in Feb., 1934, he served in this position until compelled to resign due to falling health. He remained an elder until his death.

Ministerial Group-

Committee Is Named At Meeting Tuesday

Pertinent facts on tax structures in Patton Borough brought forth a lively discussion during a meeting of the Patton Chamber of Commerce Tuesday evening at the Commercial Hotel dining room in Patton.

As a result the C of C formed a committee to assist in every way possible toward equalizing tax assessments in the town.

Frank P Cammarats opened the discussion by giving a report the discussion by giving a report on the recent trip to Harrisburg made by representatives of the local school board, which is seeking aid for repairs to school buildings. He cited the difficulties the

ings. He cited the difficulties the board is encountering with the State Department of Public Instruction officials in obtaining such aid. Additional money is needed, beyond the legal \$65,000 authorized by voters last year, to meet the cost of much-needed repairs to the buildings.

In the discussion by members of the chamber which followed, it was brought out that a tax equalization program for Patton is the logical approach to monetary problems of both the school board and borough council and that ef-

tions in the town.

It was asserted that such a program means correcting inequalities which do exist in the assessed valuations of properties in the borough. These are said to exist in a marked degree. The program, it was said, does not mean an increase of millage for taxing purposes.

the group, named five men me bers of the C. of C. commit bers of the C. of C. committee to work toward equalization of taxes. They are George Lehman, Francis X. Young, Harry Nehrig, Louis Stoitz and Joe Cammarata. Members of the group will attend a dinner with Johnstown Chamber of Commercee during the latter's goodwill tour through this area at 12:30 p. m. next Monday at the Commercial Hotel. A guest at Tuesday's meeting was M. Gettya, new manager of McCrory's 5&10 here.
