A plunge for the extra point was stopped and the game was tied again at 6-6.

With only minutes to go in the game the visiting Rams scored the deciding points. They returned the ensuing kickoff on their own 25 and on 2 downs moved it to 30. Then Meyers opened up and

### Cicero's Men Come from Behind To Score 3 Times In Last Half

The blue-and-white Mountaineers of Carrolltown High School fought from behind with a second-half surge to defeat Southmont Golden Tigers 25-7, in a battle last Friday night at Carrolltown High School Stadium.

The Mountaineers of Coach M. J. (Huck) Cicero registered 17 first downs compared to the Golden Tigers 2 first downs. The winners chalked up 308 net yards on the ground but only completed one pass in eight tries. The Tigers were limited to only 34 yards rushing and made good 3 of 17 passes.

Coach Cicero's squad was the first to score. Jerry Plance bucked over from five yards out in the second period for a TD. Dick Kelly's extra point plunge was stopped. Kelly racked up 13 points in the game.

The Tigers moved into the scoring column in the same period when Wright recovered a GHS fumble on the Carrolltown 10. On third down Chuck Wigmore went over from one yard out to tie the score. Wigmore passed to Bob Wagner for the extra point to put the Tigers ahead, 7-6, at the half.

The Mountaineers roared back in the final two periods to score three touchdowns. In the third period Dick Kelly scored from the three yard line. He also went for the extra point to put the home forces ahead.

In the final round Fullback Ed Sedlock ended a 30-yard drive

St. Francis games were played at Ebensburg. Barnesboro and Johnstown. The new move may bring all football activities to the area college grounds.

The game will be played in the Pine Bowl, one of the few natural bowls in the nation. Although the field underwent extensive development during the pre-war years, the interruption of the football program during World War II curtailed all building activities. During recent years the large natural bowl has been used for baseball, football practice and other outdoor sport events.

Special committees, composed of student and faculty members, have been appointed to promote and arrange for the homecoming game at Loretto. Arrangements are being made to transport the bleachers from Lilly High School Stadium and from Ebensburg Fair Grounds. Additional bleachers will be set up if possible. According to college officials, traffic regulations will call for selling of tickets at the various entrances to the campus. Parking facilities will be provided at the campus.

Floats and other student activities have been planned for this year's homecoming event.

## SFC Homecoming Game Changed To Loretto Bowl

The 1951 homecoming festivities at St. Francis College will have added significance for area sports fans. The Rev. Adrian J. Veigle, TOR, St. Francis president, announced that the traditional St. Francis-St. Vincent football game would be played on the St. Francis campus instead of at the Cresson High School Stadium.

Moving of the traditional battle to "home grounds" is part of the college's program designed to center all college activities on the St. Francis campus.

Playing of the homecoming game at Loretto may signify the adoption of a new policy at the college. In previous years, the area college gridder played to area college grounds. During the pre-war years many of the
