#### 5 Hunters Shot In 'Bear' Week

In the Pennsylvania Game Commission's 10 county north-central division alone five hunters shot in mistake for wild creatures during the one-week bear season in November. Two of the men died at once, one is in a critical condition and two are re-

In four of these cases the offenders took their victims to hospi-tals, and Game Protectors were promptly on the job to obtain a statement from the offender im-mediately afterward. In the fifth mediately afterward. In the little case, the suspected gusiner was located many miles from the scene of the shooting. This case was solved only after in exceptional bid of woods investigation and teamwork between officers of two divisions.

Shooting a human in mistake for game is a misdemeanor. Each of the above cited cases will therefore be tried before the criminal court of the county in which the crime was committed.
