Patton Phillips-Jones Plant To Add 30 More Employees

To Absorb Part of Shirt Production of Recently Closed Kane Plant; Over \$500,000 Payroll

The addition of the new personnel here will add to the already over half-million-dollar-a year payroll at Patton, and will increase the number of workers here to about 300. Some 270 men and girls now are employed at the local operation.

adapted to an earch.

"Phillips-Jones is stopping production at the Kane plant because we are consolidating our shirt manufacturing units to obtain greater efficiency," said T. H. Golden Sr., Phillips-Jones vice president in charge of manufacturing units to obtain greater efficiency, said T. H. Golden Sr., Phillips-Jones vice president in charge of manufacturing units to obtain greater efficiency, said T. H.

Glasgow Man Gets **Top Post In State 100F Organization**

Closed Kane Plant; Over \$500,000 Payroll

Pice Pattors alamt of PhillipsThe production at the Kane opgration will be split between the
Patton plant and one in Pottsville. Some of the machinery was
moved from Kane to Patton yesterday.

It was explained by Charles
Hopper, manager of the local
Van Heusen shirt manufacturing
plant, that Patton and Pottsville
will handle the former output of
the Kane plant due to the fact
that they are equipped to manufacture dress shirts, the
was the Kane shirt factory.

Barnesboro, on the other hand,
is equipped to make sport shirts
of various types.

The addition of the new personnel here will add the the already over half-million-dollars

new Floor Covering and Paint
Department located on the second floor of their store on Philadelphia Avenue in Barnesboro
last Friday and Saturday.

Featuring rugs, linoleum, carpets, broadloom by the country's
leading manufacturers, the new
Wolf department is further completed by famous line of paints.

James P. Dilling, manager of
the Barnesboro store, wishes to
express his thanks to the many
people who attended the grand
opening of the new department
and emphasizes that the merchandise is priced as low and lower
than the same merchandise that
can be purchased in hig metropolitan stores; and in addition,
Wolf's friendly credit terms cannot be surpassed.

Patton Clean-Up Week To Begin Next Monday

The annual Spring Clean-Up Period will be held in Patton beginning next Monday, May 5, and ending May 10.

Patton residents are asked to clean up their yards and place their trush in boxes or barrells in the alleys behind their homes, or at other suitable places where it may be picked up.

Trucks will start hauling the trush beginning Monday. No ashes will be hauled.

Help make Patton a better place to live! Clean-Up! Paint-Up! Fix-Up!

Up! Fix-Up!

Erecting Modern New Building Here

Work Now Underway At Mellon-Park Aves.

Patton will have one of the most modern and best-equipped garages in this section with the erection of a new 70x80-foot building by the Patton Motor Sales Co., local Dodge and Ply-mouth dealers. Work on the brick and concrete

Work on the brick and concrete block structure began last Thurs-day and continued this week with pouring of footers for the founda-tions. The new building will be erected on the corner lot which years ago housed the old Mellon Hotel at the corner of Mellon and Park Area

and Park Aves.
The location is directly the street from the present Pat-ton Motor Sales Co. garage, and the old building will be used for

Raiph Whitmer, pastor of the First Baptist Church and Calvary Baptist Church, Patton, announced the commencement of the spring evangelistic campaign today. The services will begin on Friday, May 2, and continue until Sunday, May 11.

Rey. Lowell Martin of New Enterprise, Pa., and interim pastor of the Baptist Church in Ebernshurg will be the principle.

the two streets will be construc-ted of brick, and the other portions of concrete block. Windows will line all four sides, and doors on both Mellon Ave. and at the rear will provide entry to the the service department from either

street.

Used car display space will be located on both Mellon and Park Aves. between the sidewalk and the garage itself, and an extension will be built toward the alley to provide for a boiler room. Geo. C. Hoppel is contractor.

D. I Link manager of the firm.

D. J. Link, manager of the firm, also has annumed purchase of two new turnpost lifts which will be installed in the service depart-ment, as well as the latest type Department other days will be at 7:30 p. m. The general public is cordially invited to attend the services.

Army to Call 10,000 Men

The Army has issued draft calls for 10,000 men in June and 31,000 in July, to bring to 954,430 the total number of men drafted or earmarked for Selective Service since September 1950.

The Marine Corps, which has been receiving draftees, did not ask for any in those months.

been receiving draftees, did not ask for any in previously had announced that it previously had announced that it hope to rely on volunteer enlistments after it received a draft ment in May.

Patton Motor Sales also recently purchased a new Dodge wrecking truck to add to its equipment. The truck is so designed that the boom may be lowered into the bed, thus providing space for \$73,000 and the Marine Corps for \$1,430.

In a report released Monday by the U.S. Bureau of Mines, Inspector David K. Kreischer also of one of the apartment's providing space for cargo.
