

Patton Wins Championship Of N. C. Industrial League

Knock Off Bakerton In First 3 Games of 5-Tilt Playoff Series

Patton Independent baseball team copped the championship of the Northern Cambria Industrial League Tuesday night, thus placing them in the five-game playoff series with Bakerton. The victory marked Patton's 18th consecutive victory, eighth time they defeated the Bakerton squad and the third straight win in the five-game playoff series with Bakerton, champions of first-half of the area circuit.

The Blue Jays clinched the second-half pennant last Wednesday night when they defeated Moserick, 13-1, thus placing them in the five-game playoff series with Bakerton. The Patton aggregation - shut-out Bakerton, 4-0 on Sunday, in first game of series. Monday night, the 1952 Northern Cambria League champs noosed out the Bakerton boys, 4-3 and clinched the title Tuesday with the 10-1 victory.

Patton scored all their runs in three innings to take the deciding contest. They pushed across three runs in the second frame, three more in the sixth and added four more runs in the closing inning to insure victory. Bakerton scored its lone run in the sixth with Scilling doing the honors.

Hollen and Litzinger each had three hits for Patton. Hollen had a triple, double and single in 4 times to bat and Litzinger had a home run and two singles in five trips to the plate. Della Valle of Patton also clinched out a home run. Vezza and Wagner each collected a two-base hit for Patton and Lou Price of Bakerton rapped Patton's only extra-base rap.

Chuck Wagner, on the mound for Patton, scored his second victory as he struck out 7, walked 4 and issued only 5 hits. Kotrick and Finni did mound duty for Bakerton. Kotrick fanned 7 and walked 1. Finni struck out 4 and issued 1 base on balls. Together they issued 15 hits.

Patton's defensive team came through with two double plays. The first came as Shortstop Della Valle caught the ball and then threw it to Hollen at first. The second double-out was recorded when Della Valle took the ball passed it to Sammarco at second

Dick Gooderham of Patton emerged with batting honors with a double and single in three trips. His double with two men on was the biggest blow to Bakerton squad. Price and Yarko each had two singles in four trips up to pace the Bakerton squad. The summary:

County Tax Coming In At Better Rate Than During 1951

Despite the extended steel strike and its effect on business in general, Cambria County tax collections this year are running well ahead of figures for 1951.

Up to August 2, collections this year amounted to 53 percent of the income expected from real estate, occupational and personal property taxes.

On the same date, last year, only 37 percent of the taxes due had been collected.

In round figures this means the county has collected \$500,000 more this year than it had in the corresponding period of 1951.

In terms of cash part of the increased income results from the one-mill boost in the county millage rate. In 1951 the tax rate was 3 mills and this year it has been increased to 4 mills.

Percentage-wise, however, the increased millage rate does not affect the increased collections.

By early August of this year, roughly \$500,000 of an expected \$1,500,000 had been collected. On the same date last year only \$450,000 had been collected from a total of \$1,350,000.

Barnesboro Junior Legion Lands Berth In State Playoffs, Allentown

Win At Philipsburg Gives North Cambria Squad Right to Represent Western Pennsylvania Area

Barnesboro Junior American Legion baseball team defeated Philipsburg Tuesday evening of this week by a score of 6-4 to earn a berth in the state final playoffs at Allentown.

This marked the first time that Barnesboro captured any district playoffs. The Northern Cambria squad is managed by Donald Wagner of Barnesboro.

The Barnesboro squad of 15 men will leave this Friday morning for Allentown. Wagner stated his team will represent Western Pennsylvania in the state finals.

Ted Pawlikowski was the big gun for the winners. He belted out two hits, a triple and a double that sent three runs across the home plate. In the third frame he sent a booming double into leftfield pocket to send Jack Rehovich home from second for the first tally. In the top half of the 2-and-2 pitch into left-center for a triple driving in Sam Rocco and Eddie Sedock. This gave the Barnesboro team the winning margin.

Philipsburg scored the first run of the game in bottom of the third. Wagner's boys came right back in their half of the third and tied the game up on Pawlikowski's double. Barnesboro then scored one in the fourth and two each in the fifth and eighth innings.

Glen Craver also had two hits for the winning team. Barnesboro connected for nine safe blows.

A Philipsburg rally was short-lived in the top half of the ninth when they got to Joseph Domalik for two runs. Domalik defeated the Centre County team twice in their series of three games. On Sunday at Hastings, 4-3, and Tuesday evening Philipsburg defeated Barnesboro Monday evening of this week, 2-1.

Domalik gave up only four hits Tuesday while going the distance and allowed seven walks. He struck out four men. Barnett and Nunarick worked for the losing team. Barnett was tagged for the loss as he fanned three and walked one. The summary:

Ebensburg's Lake Rowena Has Water

Project Started In '50; Cost Runs \$130,000

The once-dry bed of Lake Rowena in Ebensburg is covered with water again for the first time since last spring.

The lake, which lies along Ebensburg's eastern edge began to fill last Saturday morning when the gates were closed for the first time since the dredging project was started in early summer.

Shortly before noon Tuesday the water level was reported slightly more than a foot below the top of the spillway. When the top is reached it is planned to install flashboards which will raise the level even higher. An improvement project at the lake was completed several weeks ago, but a general lack of rainfall in this area prevented the borough officials from closing the gates. It wasn't until the heavy rains a few days ago that the feeder stream was running full enough to refill the lake.

Approximately \$10,000 was spent during the past summer to correct an unsatisfactory condition which existed when the lake first was rebuilt in 1950 at a cost of \$120,000.

When the initial project was completed two years ago much of the lake acreage was covered with only a few inches of water. A new state appropriation was made to dredge the shallow areas and flashboards were provided to raise the height of the overflow. The flashboards are made for installation as soon as the water level reaches the desired depth.

As a result of the summer dredging program and the changes in the flashboards the depth of water at the breast will be about 11 feet. The over-all depth is expected to average about five feet.

Spangler Girl Heads Westminster Unit

Rose Lutin of Spangler was elected moderator of District 5, Westminster Fellowship, Monday night, in Dr. Frederick Arbie's cabin, one mile north of Bradley Junction. Other officers follow:

Bob Phillips of Revloc, vice moderator; Adele Ahlstrom of St. Benedict, stated clerk; Alice M. Bright, Colver, editor of district paper; and Imelda Cameron of Colver, assistant editor.

Advisers are Jane Stratton and Telford Sawyer, both of St. Benedict, and Robert Caldwell of Spangler. Mrs. Franklin Senger of Crosson led singing. Devotions were led by Karen Anderson and LaRue Sawyer, both of St. Benedict. Following the meeting a circunstant was held.

Odd Animosities Revealed In Wills

One Leaves Box Candy To 150 Cat Haters

Fred J. Hoffmeister, a retired St. Louis (Mo.) area circuit judge, has pursued a hobby for 15 years and during the course of that time has built up one of the largest collections of odd wills from all over the world.

One of Mr. Hoffmeister's favorites is that of Herman Oberweis of Anderson County, Tex. "First thing I want done," Oberweis wrote, "I don't want my brother Oscar get a damn thing I got. He done me out of \$400 fourteen years since."

The former judge said Benjamin Franklin left a 40-page will of which several pages were of special interest—particularly his comment on inheritance. "It is my opinion that the person who receives an estate from his ancestors is under some kind of obligation to transmit the same to their posterity; this obligation does not lie on me, who never intended a shilling from my ancestor or relative."

Brigham Young, who died on Aug. 28, 1877, left an estate of \$2,500,000 in trust for his families. The families were divided into classes. At the time of his death, he had 18 living wives and three deceased. There were 48 children and one adopted child. The estate was divided into 18 parts.

In October of 1926 a Canadian, Charles V. Miller, died and left a bequest that \$500,000 be paid from his estate to the Toronto woman who bore the most children in the 10 years after his death. The Ontario Supreme Court in January, 1936, gave the prize to four women, each the mother of nine eligible children.

Rockwell Sayre of Chicago reversed the order of leaving money to animals when he specified in his will that his executors should buy 150 boxes of candy and ship them to 150 persons whom Sayre listed as his "fellow warriors in the world war against cats."

In Camperie, Australia a man whose wife would never let him get the last word finally got it in his will. The man left his widow "one shilling for train fare to some place to drown herself."

Another will ended this way: "And to my wife, I bequeath the balance of my estate, both real and personal, including my pants, which she has wanted to wear for the past 15 years."

In Woodbridge, N. J., a Chinese left his son \$1 with the wish that he use the money to purchase a rope long enough and strong enough to support his Irish wife.

One of the most unusual wills in the collection is that of a very "uneducated" woman of New Haven, Conn., who left an \$1,800-a-year income from her estate to a Philadelphia woman who was her husband's "other wife."

County Legion Unit Installs Officers Tuesday Evening

Installation of Newly-elected Officers of Cambria County Committee and District 20 of the American Legion took place at a meeting of the units Tuesday evening in the Conemaugh Post Home.

Samuel Brooks, Jr., Johnstown, retiring commander of District 20, which is made up of Cambria County posts, installed Guy LaRocca of the Richland Post as county chairman and Paul J. Wills, immediate past county chairman, as District 20 commander.

The newly-installed heads, in turn, installed their appointive officers. Chairman La Rocca announced his selections as follows: Walter Etinson, of Ebensburg, secretary; Frank Evans of South Fork, chairman; Gerald Gibson of Ebensburg, lodge advocate; Anthony Biller of Loretto and John J. Conway of Johnstown, sergeants-at-arms; and Peter Gimovese, of Johnstown, bugler.

Committee members from the north county area named include

Mine Lamp House Burns At Westover

The lamp house at Springfield Coal Corp. Mine 4 in Westover was destroyed by fire early last Saturday morning. Members of the Hastings Fire Department reported that flames had engulfed the building when they arrived at the scene, but they were able to save surrounding buildings.

Five Chief Anthony Fianco reported damage to the one-story frame structure and its contents was estimated at \$20,000. He said that the blaze is believed to have been caused by a short circuit in one of the electrical generators in the building.

Legionnaires also passed a motion designating July 4 as District 20 American Legion Day. A celebration at Ebensburg Fairgrounds will mark the occasion each year.
